Dedication

It has been said that a University is a collection of books. Every member of the student body, faculty or staff realizes, however, that this is far from realistic appraisal. To the contrary, the true structure of a University rests on scholarship, able administration and dedicated instruction. It is rare indeed when talents in all three of these fields are combined in one individual.

Since 1928, Dr. Harold A. Iddles has provided for the University of New Hampshire just such an unusual combination. His scientific work both in this country and abroad, as well as his active participation in many scientific societies, testifies to his ability as a scholar. The development of the Department of Chemistry under his leadership is but one of many examples of his administrative skill. The inspiration of his teaching lives in the memories of two generations of students.

The staff of the GRANITE dedicates this issue to Dr. Iddles in part as a tribute to an outstanding teacher and administrator, but most of all as an expression of the grateful appreciation of three decades of New Hampshire students for his friendly council.

Fair stands she, all glorious,
 New Hampshire, strong and free
 Hail to thee victorious,
 New Hampshire, dear to me:
 When years bring shadows,
 Dark'ning life's sea,
 Then, radiant, all glorious,
 New Hampshire, Thou shall be

Fair Stands She All Glorious

ELDON L. JOHNSON
President

President's Message

I EXTEND my sincere best wishes to the Class of 1961

The University which you leave this year is in many ways quite different from that which you entered four years ago. You have seen the fulfillment of a long-time vision as the College Brook ravine has been transformed from a virtual jungle into a park, ringed by new buildings. You have experienced the pleasures and benefits which flow from learning in new surroundings, in modern, well equipped studios, laboratories, and library. You have participated in such experiments in teaching as language laboratories and television classes.

Like the campus itself, you have also changed in the last few years. Your intellectual horizons have broadened, both through the classroom and through your association with some of the world's leading statesmen, scientists, artists, and men of letters. Your tastes and values have changed — we hope for the higher and better.

These have been exciting years, both in your own life and in the University's history. We trust that as you leave, you will do so with a sense of pride that will remain and grow throughout the years that lie ahead.

ELDON L. JOHNSON

DAVID C KNAPP
Assistant to the President

DAVID C KNAPP, Assistant to the President, was born in Syracuse, New York. After receiving his Ph.D. degree from the University of Chicago in 1953, he worked briefly for the Department of the Interior, primarily in management research. Last year he traveled to Finland as a Fulbright Research Scholar. While abroad, he continued his research in the development of public policy in the fields of natural resources, which is one of his main interests. Mr. Knapp who is among the fourth generation of teachers in his family, is now looking forward to conducting a senior seminar in government next semester.

JERE A. CHASE
Assistant to the President

JERE A. CHASE has been closely associated with the University in many capacities since his student days here. Mr. Chase received his B.S. degree from the University in 1936 and a Master of Education degree in 1946. As an undergraduate he was very active in athletics, serving as Captain of the cross country team, Captain of the ski team and a member of the baseball team.

Before joining the University staff as Director of Placement in 1947, he taught mathematics and coached at Berwick Academy, South Berwick, Maine, and was sub-master and coach at Dow Academy in Franconia.

At the University, Mr. Chase has held the posts of Director of Admissions, Director of the Memorial Union, Associate, and later, Director of University Extension, and Director of Development. He was appointed to his present position last year.

Administration

THE administrative officers and staff of the university are the backbone of the university. These many people are responsible for policies of the university, the extension service, the library, counseling, financial aids, the business office, the book store, admissions, registration and grades, the university health service, the union, housing, alumni, the TV station to mention only the major areas. Needless to say the staff consists of many qualified people doing various jobs in order to keep the university running efficiently.

The deans of the Colleges of Agriculture,

John F. Reed
Dean of Liberal Arts
Dean of Graduate School

Robert N. Faiman
Dean of College of Technology

Harold C. Grinnell
Dean of Agriculture

Liberal Arts, and Technology; the Dean of the Graduate School; and the Associate Deans of Students make major decisions regarding the policy of the University, maintain the high quality of education and reputation for service, and provide for the future of the University. With the ever increasing enrollment of students and expansion of the physical plant, the deans must

stand ready to accept this responsibility and not postpone it until the demands exceed the facilities. The administration is largely responsible for the academic freedom and an approachable faculty we enjoy at UNH and as busy as they are in their tasks as administrators, they are eager to talk with students in need of their aid.

FEATURES

Miss U. N. H. Pageant

THE first Miss U.N.H. Pageant was held at the Memorial Union last May. Sandy Milburn was selected the winner with Ellen Czaja and Malora Patrick as the runners-up. Miss Congeniality was Claire MacIntosh and Miss Talent was Ellen Czaja. The winners were chosen on the basis of talent, poise, personality, and beauty.

Freshman Camp

FRESHMAN CAMP began on September 9, 1960, at Camp Fatima. Here the class of '64 was introduced to college life by means of skits put on by the counselors and discussion groups which followed "Understanding your responsibility, your goals, the transitions you must make in college, understanding others and yourself" were the main themes of discussion. The Frosh learned the University's songs and cheers as they were required to sing before each meal, with counselors judging their efforts. Bird walks were an annual early morning recreation with organized sports and games during the day. At night there was dancing and story-telling with Pat Farrell.

Though each hour was filled with fun, the campers arrived on campus with a good understanding of what college entailed in both academic and social areas. A united class of friends caught up in school spirit, eagerly anticipating their future role as a college student was the result of the four days at Freshman Camp.

Homecoming

HOMECOMING—the kick-off weekend of the year!

This year the alumni returned to witness many victorious events. The theme of the annual Homecoming contest between housing units was "The Speculative Sixty's." Sawyer, Englehart, Alpha Xi Delta, and Phi Mu Delta received first prize for their original decorations, which added to the spirit of the festivities.

The Wildcats won the game against Delaware, 31-14. This was our first victory against Delaware in six years. Ellen Czaja was elected queen of the Homecoming Ball. She and her attendants, Murial Dussault, Cathy Parry, reigned at all the events throughout the weekend.

This was also the weekend of the dedication of the Paul Creative Arts Center. Tours were offered for all who could find time in their crowded schedules to see our newest addition to the campus.

Mil Arts Ball

FRESHLY polished swords, a military arch, and a sophisticated Queen were the focal points of UNH's Mil Arts Ball, the largest military event of the year. The music provided by Bob Adam's orchestra set the mood for the two events of the evening. The lovely Queen, Pam Holmes, accompanied by her two attendants, Nancy DuRie and Carol Schmouth, was ushered through an arch of gleaming swords to receive her crown. After being crowned, Queen Pam knighted the candidates, as they were initiated, into their respective ROTC societies.

AYORALTY

THE wildest political event of the election year was held this fall in Durhamland. Three equally farcial and hilarious candidates were presented to the citizens of UNH. The Duke of Durham promised to be the most efficient Mayor provided he could be aided by the elusive Muriel. Supporting him were Acacia, Sigma Beta and Alpha Chi Omega. Sailbad the Sinner proposed to save the campus from an eminent flood with their slogan, Drink or Sink. Aiding him were Sigma Alpha Epsilon, Alpha Tau Omega, and Alpha Xi Delta. Wholeheartedly supporting Eliot Mess was Phi Mu Delta, Pi Kappa Alpha, and Chi Omega, as the law and the Unflushables. Their slogan, "Vote Mess," could not clean up enough votes.

Distinguished Lecturers

JOHN GALBRAITH

EACH year our Distinguished Lecturers series brings to our campus some of the world's most famous Statesmen, scholars, and scientists

Our first speaker of the year was John Galbraith, Professor at Harvard University and author of many books. Mr. Galbraith spoke on "THE AFFLUENT SOCIETY and its critics," a defense of his most famous book and the policies he presents in it.

In February, Art Historian, William D. Heckscher, who is currently affiliated with the Institute for Advanced Study at Princeton, spoke on "Genius and the Emblematic Tradition" using slides to illustrate

WILLIAM SNODGRASS

WILLIAM D. HECKSHER

Blue and White Series

THE Blue and White Series brings to campus each year a select group of famous and talented artists. This year our new Paul Arts Center provided one of the most modern theaters in the East for these celebrated guests to perform in.

Our first guest was Eileen Farrell who made her debut at the Metropolitan Opera House this year. Renata Tarrago, a noted Spanish guitarist appeared in November. Also in the series were Eric Friedman, the noted violinist, Nicole Henriot, the Parisienne pianist and Nicolai Gedda the celebrated Swedish-Russian Tenor.

NICOLE HENRIOT-SCHWEITZER

EILEEN FARRELL

ERIC FRIEDMAN

Winter Carnival

THIS year UNH celebrated its fortieth annual Winter Carnival, World Wide Winter. The weekend began with the judging of the snow sculptures, McLaughlin, Phi Mu, Sigma Beta, and Alexander were the deserving winners. The Skating Show featured the UNH skating club Thursday night. During intermission the torch relay ended at Batchelder rink and the Queen was presented the torch.

Friday night early evening parties were followed by the Winter Carnival Ball. On Saturday Afternoon Dizzy Gillespie picked up the Carnival spirit and sent it soaring even higher with Big Jazz. Sunday the weekend's events were concluded with the outing events between housing units.

Outside COLD — Inside COOL

THE walls of New Hampshire Hall were decorated with colored flags of the United Nations, Eddie Madden's orchestra filled the air and couples floated around the revolving world under a galaxy of stars. This was Winter Carnival Ball 1961. President Johnson officiated at the inauguration of our Queen, Carol Worden and her attendants Diane Chamberlin and Virginia Johnson.

Close Harmony

THIS year Senior Key again sponsored Close Harmony. They presented five collegiate singing groups plus the talents of our own Master of Ceremony, John Ineson. M.I.T.'s Logarhythms, The Dean's Men of Bates, The Simmons Bluettes, Springfield's Scotchmen, and our own Alpha-Cords, presented an evening of College Songs, Novelty songs and old favorites. The Logarhythms' Swiss Fighting Song opened the program with great enthusiasm, which was carried through the evening with the Alpha Cords' Limberger Sandwich, and Springfield's "Casey's". The more mellow part of the evening featured The Dean's men with "Autumn Leaves" and many others.

ACTIVITIES

Student Senate

Joe Phelan
President

IN its eight year history at the University of New Hampshire, the Student Senate has greatly expanded its activities to include every phase of college life. Working with the benefit of the Student Body in mind, the Senate has regular Senate meetings the first and third Mondays of the month; at this time its executive council, and the various committees both standing and temporary are present

Each housing unit, College Road, and the commuters elect representatives in annual elections. Senate meetings are open to all and often representatives from other campus organizations, faculty members, and delegates from the administration speak on various topics.

President Joseph Phelan's administration has had as its primary aim the promotion of Student Government for the betterment of the entire student body. Two projects have helped to attain this goal: first, a revision of the five-year-old Student Government Constitution and second, a thorough study of the aims and services of the National Student's Association. In these and other Senate activities, he had the help of four elected aides: Lois Stickney: vice-president, Ellen Pirro: secretary, and Karl Van Ledtje: treasurer

Executive Council members, John McEachern, Connie Weatherby, Ben Cote, and Roger Magenau, have contributed time and effort in coordinating committees, and working with the Alumni Association and the administration

National Student's Association is one committee which has done a great deal of work this past year under its capable co-ordinator, John McEachern. In three phases it has developed Travel, National Interests, and International Issues into campus-wide interests. The concentration this year has been on Travel, and interesting students in visiting foreign countries and our own country

The Constitutions Committee under Carl Wheeler has put a great deal of effort into both the revision of the Student Government

Constitution and maintaining its file of over one hundred and fifty constitutions from the various student organizations on campus

This year's Campus Chest Committee collected a record sum of money, \$1,300 for the University of Chile, devastated by earthquakes. Under the leadership of Joel Belaïre, every housing unit was drawn into projects for this one week concentrated fund raising campaign. A permanent symbol for Campus Chest in the form of a rocket was permanently adopted this year.

One of the newest projects of the Student Senate is the Student Guide Service under the direction of Connie Weatherby and Lissa Foy. Senators show interested groups and high school students around campus.

The Social Committee this year has extended late permissions for the "big weekends" and conducted several coffee hours for the Senate. Any change in social regulations and the social calendar are planned by the Social committee.

Due to the increased number of students

and the decreasing parking facilities in Durham and on campus, the Motor Appeals Board under David Craig has had increasingly more work.

The Public Relations Committee under the able direction of Sue Gordon has kept the students aware of Senate activities. Notable among their projects were the Campus Chest displays.

Elections were planned and supervised by the Elections Committee. Among its projects were the conduction of class elections, the election for the Hood Achievement and Senior Woman's Award given at the annual Senate banquet, and the election of Homecoming Queen.

CORRESPONDING SECRETARIES
S. Robinson, S. Unterman

Student Senate participated in a record number of inter-varsity conferences this year including those sponsored by the National Student's Association, the Student Body President's Conference, and a Conference on African Affairs held in Montreal

One of the most important conferences is held here on campus. This is the conference of Campus Affairs, organized this year by Randy Bell. In the planning stages now, the conference will be held in March.

One of the important campus events was the Open Senate Meeting with an address by Dr. Herbert Hill, History Professor at Dartmouth, on the "Student's Role in Government."

Special mention goes to the Women's Rules Committee made up of the senior senator from each housing unit and this year including two representatives of Women's Interdormitory Council. Women's Rules makes all rules governing women on campus.

Among the other Senate committees are the Freshman Orientation Week, Homecoming, High School-University Day, Parents' Day, Founder's Day, Dining Hall, and Athletic Council. Student Senate appoints also the members of the Men's and Women's Judiciary Boards. One of the Senate's special projects is the Cat's Paw Committee which every year publishes the cat's paw as a student guide to campus life and rules.

The two corresponding secretaries have had a very difficult job this year with the increased volume of mail, activities, and reports. Sue Robinson and Sandy Unterman put in many long and hard hours in the office.

WOMEN'S RULES

First row: E. Piro, P. Delvin, Dean McQuade, C. McQuettigan, L. Stickney, L. Covell. Second row: K. Karr, K. Isaacson, M. Shaw, S. Gordon, S. Mariuschin, L. Lyford, C. Weatherby, L. Patterson, S. Feimer, A. Carbone.

MEETINGS, deadlines, pictures, art spots, designs, articles, interviews, senior sittings, typing, proof-reading, mailing, and waiting are the words that describe this year's *Granite*. The *Granite* provides the student body with an editorial and pictorial account of the scholastic and social life of the academic year. Charlie Bartlett as editor of this year's *Granite* was in charge of organizing the book and was responsible for the appearance, policy, supervision, and quality of the book. Charlie had to draw together all the loose ends and deal with all the numerous difficulties that arose.

Acting as associate editor was Linda Albert, who helped Charlie with the numerous details that needed attention — conferences with staff officers, checking on deadlines, and proof-reading.

In charge of finances and acting as business manager was Peter French who kept a constant check to make sure that the disbursements didn't exceed the receipts. Peter Elliot worked closely with Peter as advertising manager — soliciting many local firms to advertise in the *Granite* to help counter-balance the costs.

Lissa Foy was in charge of the senior section including arranging senior sittings, collecting information sheets, and organizing the proofs with names and addresses that appear on the senior pages.

Ann Munroe organized the largest section of the book—organizations. She had to obtain write-ups from the various groups, informal shots, and schedule the formal pictures for each organization. When the pictures were taken names had to be listed for identification.

1961 *Granite*

Charles Bartlett
Editor-in-Chief

Peter Elliot, Advertising Manager; Peter French, Business Manager

Ann Leonardson and Tina Oraby were art editors this year, and provided the design for the cover of the yearbook, the end papers, section dividers, and the numerous art spots that appear throughout the *Gran'te*. Tina and Alex also helped with the year book lay-out which was more difficult this year due to the new size

Carol Ercolino, Secretary

In charge of the Greek World was Corrine Carpentiere, fraternities and sororities editor. It was Corrine's task to collect composites, write-ups, and informals of all the houses on campus — a job which required patience and waiting.

A job similar to Corrine's was that of Ruth

Brenda Ferguson, Literary Editor; Tom Purdy, Photographer Emeritus; Lisa Foy, Class Editor

Ring, dormitories editor. Besides collecting articles and photographs from all the male and female housing units, Ruth also was in charge of the MIDC and WIDC articles. This section is growing every year to keep up with the opening of the new dorms.

Carol Ercolino not only acted as secretary to the editor and the staff, but was also in

charge of the heelers, assigning them to staff members or giving them general typing or proof reading

In charge of various special write-ups, was Brenda Ferguson, literary editor, who also helped other staff members with their last minute typing and proof-reading

Ann Munroe, Organizations Editor; Sue Dustin, Features Editor; Stu Craig, Sports Editor

Sue Dustin, features editor, wrote articles on all the annual events of the university, from Freshman Camp to Blue and White Series, which included all the big weekends, dances, Mayoralty, and Song Fest to mention a few. These writeups and the accompanying photographs are the "memory section" of the year's activities

Covering the numerous sport's events of the year was James Jeanette and Stu Craig. From the first football game to the last baseball game, they kept an accurate written account of scores and special features of the events. They were also responsible for the articles on women's sports and the cheer leaders.

Marty Woolfson and Dave Batchelder acted as staff photographers. It is hoped that the numerous pictures included in this year's book will aid in bringing back many memories of the year's activities. From the many pictures taken, they chose the best ones and how they were to be arranged.

Mr. Nicholas Nichols, acting as faculty advisor to this year's *Granite*, provided a behind-the-scenes stabilizing force to the staff.

All these jobs add up to a lot of words and pictures which would be meaningless if there was no one to read, look at, or enjoy them. The members of the *Granite* staff of 1961 hope that the *Granite* will be a reminder of good times, serious moments, and most of all the typical days of 1960-1961.

Linda Albert, Associate Editor; Marty Woolfson, Photographer

Dick Shea, Editor-in-Chief

The New Hampshire

Andrea Viano, Senior News Editor

Paul Bates, Associate Editor

THE people you see on these pages are the editors of *The New Hampshire*: the controversial, trusty, brave, clean irreverent voice of the University student body. Throughout the school year they have met every Sunday and Monday night in the Memorial Union Building offices, struggling to achieve a weekly nirvana, hardly ever succeeding completely (as very few ever do in anything) but succeeding in gaining self-respect — the kind of self-respect which comes of working intelligently, orderly, and with a distinct purpose in mind.

This year has been perhaps the most exciting in the organization's fifty year history. In February 1960 these editors took office, and they immediately found themselves in the public eye throughout the state. They courteously tolerated a state investigation into their already publicly available "policies and practices," which turned out to be a rather typical, rather amusing, yet rather pathetic bit of windmill tilting by New Hampshire's arch-conservative fraction.

Some real good was finally achieved, however, through the University's Board of Trustees, who employed a committee of newspaper editors to advise them in reorganizing *The New Hampshire*. From meetings with these men and other visiting newspaper men, the student editors gained a great deal of practical knowledge—which is after all, the commodity of their craft. From these discussions a new constitution was written, setting up a Board of Governors as official publishers of the paper.

Through this step forward, and others to come, *The New Hampshire* is becoming much more than a stagnant, barren rag, executed by people who know nothing whatsoever of the newspaper business. It is becoming a learning ground; and educational experience for all concerned; and an efficient disseminator of news and opinion for the entire University community.

Sandra Barden, Larry Jasper, Harold Damerow, News Editors.

Martha Higgon, Managing Editor

Mortar Board

First row: P. Whitcomb, G. Brookes, L. Buckman, J. Reeves, A. Benson. Second row: J. Dibbins, B. Ferguson, D. Morin, D. Gifford.

MORTAR BOARD, the senior women's honorary society is composed of college women elected in their junior year on the basis of their scholarship, leadership, and service. The purposes of Mortar Board are "to provide for the cooperation between societies, to provide service and fellowship among university women, to maintain a high standard of scholarship, to recognize and encourage leadership, and to stimulate and develop a finer type of college women."

In the area of scholarship, Mortar Board sponsors a Book Scholarship which is given to a junior girl on the basis of her scholarship, leadership, and financial need. Students who achieve high honors on the Dean's List are recognized at an Honors Reception, and the Freshman girl with the highest average has her name engraved on a plaque which is displayed in Murkland Hall.

Members of Mortar Board have provided leadership and service through participation in panel discussions on problems that confront Freshmen, by serving on committees concerned with University problems, and by acting as ushers and hostesses at University activities.

SENIOR KEY is the senior men's honorary society on the U.N.H campus. A maximum of fifteen members are selected each spring by the outgoing members on the basis of their superior scholastic standing, participation in extracurricular activities, high character and qualities of leadership.

Each year Senior Key sponsors the popular Close Harmony, helps in Orientation Week, and ushers at Commencement, Baccalaureate and the President's Receptions. The society also assists the admissions officer as a deputation to various high schools throughout the state. This year Senior Key sponsored a special series of lectures by various delegates from foreign countries.

Senior Key

First row: A. Putman, J. Phelan, B. George, N. Turgeon. Second row: E. Pelczar, D. Monahan, J. Stanton, M. Yakovakis. Third row: A. Maxwell, J. Cross, B. Campbell. Not pictured: R. Pomerleau.

showed themselves to be spirited. As in past years Commons was the main area for such activities as the hula hoop, testing to see if the Frosh knew all the Sphinx's names, allah Sphinx, learning and singing New Hampshire songs and, of course, many "Cheerie Hi's" Other events during Freshman Week were the Beanie Hop, the President's tea, and the Student Convocation Saturday was the climax of the week with the Freshman Outing and the Freshman Ball

Sophomore Sphinx

THE moment we had been planning for since last spring when we were first elected to Sphinx came at last At this time the buses from Freshman Camp arrived in Durham We were all a little tense, but this feeling didn't last long when we heard "Cheer Boys," "'64 Rah Rah," and other New Hampshire songs Throughout Freshman Week the class of '64

The Outing was highlighted by various games, cheering, eating, and greased pole climb. The Sphinx, clad in a variety of odd costumes, were caught when the pole broke. As is customary we were all "rewarded" with pie in the face.

The annual Freshman Ball was a great success. The Beanie Queen this year, receiving flowers and a trophy, was Barbara Wood, while Michele Cazzara, Pamela Holmes, Cathy

ing, we new Sphinx with the help of the '62 Sphinx sponsored the "Tennis Court Stumble" raising money for the Sophomore Sphinx Scholarship to be awarded to a member of the incoming Sophomore class on the basis of need, scholarship, character, and campus interest. The sale of Freshman Beanies was also to add to this fund. Our primary function is to help the new class get off to a good start, and to help them adjust properly to a new way of life.

First row: S. Edgerly, S. Kinney, R. Janosz, S. Marcus, G. Sardonis, M. Dussault. Second row: D. Ebstye, R. Shaw, D. Lamontaigne, E. Czaja, S. Gordon, D. Heistad, M. Clover, L. Kellogg, D. Ogg, R. Messer. Third row—R. Shaw, T. Canovan, C. Carnival, J. Dye, P. Bell, S. Weeks, C. Werner.

Parry, and Midge Von Roemer served as Barbara's aides.

Along with the Pep Kittens, we led cheers for the football team at the pep rallies and at all the home games. Those beanies weren't worn for long this year. We won the first home game — and off went the beanies!

Months before that rainy September morn-

This requires a great deal of time and effort.

We would like to express our thanks to all who helped make our year as members of the Sophomore Sphinx so rewarding. Special thanks goes to Fred Bennet, our advisor, and to Don Richards, who took Mr. Bennet's place this fall. We want to wish the Sphinx of 1964 the best of luck and we hope they will have a successful a year as we had.

ALAN WEINSTEIN

President

THE Student Union serves to fill the gap between the educational and social aspects of college life. The office, located in the Memorial Union Building, is an active part of college life, and provides the students with many worthwhile activities. Active members of the committees meet here to plan activities for the rest of the student body. Student Union serves as a training ground in which members learn the value of the group process, democratic principles, and the importance of the individual in our society.

The Student Union governing board is made up of the officers, and the chairmen of the five functioning committees. The 1960-61 officers included Douglas Tremblay, President; Elaine Guerin, Vice-President; Victor Battaglioli, Treasurer; and Bonnie Bouchard, Secretary. The five committees are: Special Events and Activities, Games, Films, Education and Publicity.

Student Union

The Student Union Special Events and Activities Committee sees that the wants of the student body are carried out. It has been busy with well attended record hops, special dances, off campus guest speakers, such as Nirmal Chadhuri, a United Nations member, and the biggest success of last year, the Miss UNH Pageant. Sandra Milburn of Alpha Chi Omega, class of '62, was our first Miss UNH and her successor will be chosen in March, 1961. UNH's queen then goes on to enter the Miss America Pageant in Atlantic City. This event, a relatively new one at UNH, seems to have caught the campus' approval whole heartedly. Other special events conducted by this committee are the annual Talent Show, and the lighting of the campus Christmas Tree which stands in front of the Union.

The Educational Committee gives students an opportunity to develop their educational and cultural interests in an informal atmosphere. To do this it sponsors coffee hours at which guest lecturers and campus professors speak. Also, the members of this committee instruct students in the use of the stereo-tape recorder. Its special project this year was the "College Bowl," an inter-house competitive program in which student panels could score points with their knowledge.

The Films Committee is mainly in charge of movies during the year. The committee members learn the use of a movie projector, and sound systems. The movies shown in 1960-61 were: *Away All Boats*, *The Perfect Furlough*, *Johnny Dark*, *The Private War of Major Benson*, *Check Point*, *My Man Godfrey*, and *The Benny Goodman Story*.

The Publicity Committee sees that activities sponsored by the Student Union are given adequate publicity so that students will be in-

formed of the events of the MUB. Most of the publicity is handled through articles printed in the *New Hampshire*, or by posters made by the embossograph.

The Student Union members feel that these five committees are adequate and inclusive enough to satisfy, and perform the functions specified to them, although, like all other organizations, we are constantly seeking improvement.

Student Union is a member of the College Unions Association, and this year sent delegates to the Union Conference held at Southern Connecticut College. The conference consisted of meetings on College Union problems, internal and external. The UNH delegates Bonnie Bouchard, Kathie Ball, Bob Holmes, and Sally Broman, brought back to the campus, many new ideas, some of which have already been incorporated into our program. We feel it was a very beneficial conference and pledge our support again next year.

First row: M. Grigas, V. Battaglioli, B. Bouchard, A. Weinstein, K. Ball, D. Corliss, E. Guerin. Second row: S. Emanuel, L. DeWitt, T. Norton, P. Long, J. Mercier, R. Jennings, G. McCullough, C. MacIntosh, L. Footman, A. Farston.

Cat's Paw

First row: J. Wilcox, M. Noonan, P. Cullinan, N. Fernald, L. Roussell, J. Rumazza, S. Witter. Second row: G. McCullough, B. Kinney, J. Bond, M. Moes, J. Ancil, D. Guidette, S. Boudette, H. Garside. Third row: L. Lee, S. Dutoit, D. Perkins, C. Fiechter, G. Yatsevitch, J. Dolliver, K. Hilliar, D. Marcus. Fourth row: T. Curren, N. Markey, B. Barry, B. Cote.

LINDA ALBERT
Co-editor

WENDY RIDEOUT
Co-editor

FOUR years ago, a student handbook which embraced the whole of student life on campus appeared for the first time. It was the hope of the originators that this handbook, THE CAT'S PAW, would become a permanent part of campus life and tradition.

The aim of this handbook is to provide a source of information for all students during the college year, especially for the Freshmen who are new to the University. In it are rules affecting students, information on extra-curricular activities, and schedules of campus events. The CAT'S PAW also includes a social calendar and campus phone numbers.

As the fifth edition on the CAT'S PAW goes to press, we hope that it has been helpful in the past and that it will continue to serve the students of UNH well in the future.

Outing Club

WHEN your eyes long for the sight of anything but a book, and your feet itch to tread anywhere but in the rut from the dorm to class, then come along on an Outing Club trip. Over 400 student members did just that and helped the U.N.H. Outing Club, in existence since 1923, enjoy one of the most active years in its history.

Hiking, rock climbing and work trips were the order of the Fall activities. Mt. Washington and Mr. Chocorua heard the "Ca-oo-wah" of both neophyte and old timer. New climbing

routes were put in on White Horse Ledge, and the new climbers got a taste of the exposure and thrill found in Hunington's Ravine. With snow in the offing, wood was gathered for both the Jackson and Franconia cabins. The annual Woodsman's Weekend gave the frustrated loggers a chance to show what they could or couldn't do with an axe and buck saw.

Snow! The mad world of skiing was here almost as usual, except for the South getting more snow than we had. The tracks of O.C. skiers were seen on all of the state's ski areas. Those in the group that schuss the high trails

stopped long enough to show newcomers how to keep those skis from crossing. At the peak of the season, the annual winter carnival makes its entrance. The theme this year was "World Wide Winter," and the weekend was again the social highlight of the year. Festivities began with the arrival of the torch relay from Cannon Mt. and continued with the ice show, Dizzy Gillespie's Jazz Concert, Winter Carnival Ball, and the USEASA ski race at Intervale. The winter also saw new interest in cold weather hik-

ing. The mysteries of the ice axe, snow shoes and crampons were quickly learned by the beginners, and glacading proved to be the greatest invention since sleds!

Spring brought new madness to the skiing. Tuckerman's Ravine. No lifts, but no lines to fight either. Sun, shirt sleeves and shorts add to the spring snow which make Tuckerman's the best ski area in the east. Those who didn't ski were rock climbing, canoeing, hiking, and going on supper trips to Mendam's Pond and Hampton Beach.

Outing Club members with a free weekend are never left without something to do. There are always trips and gatherings for those who are interested in the outdoors and good times with groups of fellow students. To those who participate in these activities, O.C. becomes meeting and knowing others in the wonderful world of outdoors. In all meetings and on all trips, there is a feeling of the spirit of fellowship that is enriching in a special way to the student and to his friends.

First row: S. Berry, R. Brown, C. Brown. Second row: V. Cax, S. Maurer, T. Prescott, D. Livingston, E. Schultze.

Mask and Dagger

1961-62 represented the beginning of a new era for Mask and Dagger and the University Theater.

A festival of Arts was carried on throughout the year with many events in the new Paul Theater-Recital Hall. These included faculty music recitals, dance club programs, the Blue and White Concert Series, and special events such as the dance program of Jose Limon, and special lectures in the Fine Arts. The University Theater and Mask and Dagger handled the staging for all these events in addition to their own program.

The fall play was "The Crucible" by Arthur Miller. Despite the hectic problems of finishing the installation of equipment, unpacking and re-storing materials from New Hampshire Hall and squeezing in rehearsal and construction time with many other events using the stage, the production of "The Crucible" was very successful.

The second production was "Teahouse of An August Moon" by John Patrick. The cast was from the Dramatics Workshop Class and the stage crew from Stagecraft Class and extra-curricular volunteers. This colorful production had to be run an extra night to accommodate the crowds who wished to see it.

The third production was a cooperative one with the Freshman English and Humanities courses. "The Trojan Women" by Euripides was the first classic Greek Play to be produced at the University and was studied and seen by most of the Freshman class.

The late spring production was a light farce for contrast "Blithe Spirit" by Noel Coward.

Several short experimental productions were put on in the smaller arena style Rehearsal Theater during May.

The increased facilities of staging and lighting enable the University Theater to make the

technical aspects of these productions much more attractive than has been heretofore possible although these wonderful facilities also increase the training necessary for proper handling of light control, etc. Mr. Toubbeh and the students working under his supervision deserve much credit for the beautiful setting and technical affects achieved during the past year.

ROTC

Pershing Rifles

COMPANY H, 12th Regiment is part of Pershing Rifles, a national honorary military society. Company H was organized in 1958, and now supports a Rifle Team and Drill Team.

This year the company's activities included: participation in the Military Arts Ball, the regimental bivouac held each year at Fort Devens, the Regimental Assemble and Ball held each spring at the Statler Hotel in Boston, and the Drill Meet at the State Armory.

First row: Major Witt, K. Pitman, P. Fischer, B. Rostohar, R. Esposito, A. Dodge, D. Fulgoni, R. Noble, R. Belford. Second row: L. Clough, R. Fulton, R. Lilly, P. Rayton, R. Daniels, W. Jenisch, R. Winn, W. Sullivan.

Aeronauts

THE Aeronauts, an honorary military society composed of selected Freshmen and Sophomore Air Force Cadets, is based on outstanding initiative, leadership, and interest. Aeronauts participate in the Mil-Arts Ball, field trips to various Air Bases, and other campus activities. The aims of the society are to create greater interest and insight into the workings of the USAF and the AFROTC at UNH, under its Advanced AFROTC cadet officers.

First row: C. Tapply, T. Louis, C. Hiltunen, R. Chartrain, G. Allard, B. Ruggles, Major Lundholm, J. Murray, R. Bureau. Second row: W. Tucker, D. Curtis, A. Johnson, R. Barter, W. Mannion, J. Myslivy, A. Osgood, D. Murphy, R. Baillargeon, S. Robinson, T. Pearson. Third row: D. Taylor, L. Cayes, R. Zerba, R. Lamprey, J. Haseltine, R. Lilley, W. Smith, D. Sisemoore, D. Heineman.

First row: M. Wright, R. Livingston, A. Lawton, B. Beers, C. Bartlett, R. Shea, W. Lenfest, D. Glaser, J. Manzi. Second row: L. Raberge, C. Conlon, R. Esposito, M. Ashapa, T. Callahan, R. Carlson, R. Willett, A. Dodge, S. Roberts, G. Pomerleau.

Scabbard and Blade

SCABBARD and Blade is a national military honor society, composed of advanced junior and senior ROTC cadets. The aims of the society are to promote better understanding of the military by the civilian population, better co-ordination between the branches of the service, and to further the members' understanding and appreciation of the military.

Scabbard and Blade participates annually in sponsoring the Mil Arts Ball, Mother's Day, and Hi-U Day.

First row: R. Smith, R. Whalen, S. Found, G. Greene, R. Jacques, G. Lee, T. Richards, R. Moore, R. Lilly. Second row: K. Cowperthwaite, S. Gleason, G. Ayres, W. Carlson, R. Pelis, J. Stevens, R. Winn.

Army Drill Team

THE Army Drill Team is composed of cadets from the regular corp. They drill as a unit in various events among which is the Parents Day Review. The team intends to enter into competition with other teams in the New England area.

While the regular corp is idle in the Winter the Drill Team is hard at work preparing for the Spring drill meets. They practice many long hours above and beyond the regular drills on Thursdays.

Blue Cord

First row: G. Sardonis, B. Russell, C. Carpentiere, L. Buckman, N. MacIntire, M. Patrick, M. Boyle. Second row: S. Cromer, M. Smith, M. Clover, L. Davis, D. Guidette, H. Garside, E. Laverdiere.

BLUE CORD is a service organization and a women's auxiliary unit of Pershing Rifles. The fifteen members are the official hostesses of Pershing Rifles and the Army ROTC Department.

In addition to serving coffee after drills and at receptions for military guests, Blue Cord reviews drill on Thursday afternoons.

Through cadre officers and attendance at Pershing Rifle meetings, Blue Cord is kept informed of the ROTC programs and promotes a campus interest in the Armed Services.

Angel Flight

ANGEL FLIGHT is a national organization. Designed to strengthen and promote interest in the Air Force, to give college women knowledge and information concerning the military services, and to aid the progress of the Arnold Air Society. It is due to the sponsorship of the A.A.S., that we are able to function as an organization.

The activities of Angel Flight are mostly carried on at local levels. Nationally, our main activity is a National Conclave which is held in conjunction with A.A.S.'s conclave every year.

First row: C. McIntosh, J. Mercier, A. Benson, L. Albert, J. Wark, D. Langevin, C. Zaejec. Second row: S. Clapp, R. Jennings, G. Brookes, L. Willette.

THE Associated Student Organizations is governed by the A.S.O. Board, composed of a representative of the Dean of Students Office, the Treasurer of Student Senate, the Treasurer of A.S.O., the Secretary-Treasurer of A.S.O. and five other students. The Treasurer and Secretary-Treasurer is appointed by the Business Office. The student representatives must be treasurers of member organizations.

Membership in the organization is open to all student organizations that handle funds. Student Organizations that receive funds from the Student Activity Tax must be members.

The purpose of this organization is to give officers of student organizations experience in fiscal matters, while at the same time protecting the solvency of the organizations, and their funds.

Kenneth McNeil, *President*.

Joanne Copenhaver, *Secretary*.

Associated Student Organizations

Alpha Zeta

ALPHA ZETA is the national society for male students in agriculture who have shown superior scholarship. The local chapter designs its program of activities to fulfill the purpose of its existence: the promotion of agriculture, and the upbuilding and enriching of rural life. At monthly meetings, the members enjoy movies and talks in the field of agriculture.

The group gives an award each year to the sophomore agricultural student with the highest scholastic average. Alpha Zeta also sponsors "All-Aggie Day" which includes a chicken barbecue.

First row: E. Pearson, N. Lacasse, H. Boynton. Second row: D. Monahan, R. Campbell, P. Nugent.

Alpha Epsilon Delta

ALPHA EPSILON DELTA is a national honor society for premedical students. The objects of the society is to encourage and recognize excellent premedical scholarship, provide contacts between premedical students and members of the medical profession, and emphasize the importance of premedical education.

This year's program has included films, talks by specialists in chemistry and medicine, and trips to medical schools and surrounding hospitals. Meetings are held twice a month. Our premedical advisor is Dr. Merritt A. Gibson, Assistant Professor of Zoology.

First row: J. Wlodkoski, C. Kahn. Second row: G. Panteledes, R. Lugliani.

Concert Choir

First row: B. Burrow, Accompanist; A. Griffin, N. Watson, S. Tate, M. Smith, S. Cromer, C. Goodwin, M. White, R. Daucette, S. Westan, R. Jewell, M. Paige, D. Sherman. Second row: J. Anglin, M. Moes, A. Foster, N. Conklin, D. Morin, W. Winter, B. Henson, J. Wirkala, T. Canilles, L. Wilder, V. Wright, G. McKee, R. Hoeh, K. Bratton, Conductor. Third row: B. Rostohar, C. Warden, B. Fisher, D. Wright, J. Foster, C. Billings, N. Peffes, P. McIntosh, E. Perrigo, D. Bradford, S. Robinson, D. Sweet, A. Rich, C. Riley, W. Fuller, C. Lowell. Fourth row: N. Batchelder, R. Ellis, B. Murrell, R. Delude, J. Morrison, W. Sawyer, W. Berry, R. Willis, D. Paige, T. Papa-george. Not pictured: C. Chapman, O. Swan, H. Schow, A. Crab-tree, A. Small, J. Wells, J. Wilkins, D. Craig, G. Lewin, F. Wolfe, G. McMahon.

Pi Theta Epsilon

PI THETA EPSILON is the Occupational Therapy honor society. The purposes of the organization are: to recognize and encourage scholarship; to contribute to advancement in the field of Occupational Therapy through special projects of its members; to provide a basis for relationships among the accredited schools of Occupational Therapy; and to work in cooperation with the aims and ideals of the Occupational Therapy Club.

This year the members are planning to do a study project of methods of teaching and rehabilitating the blind.

First row: B. Ferguson, M. Brower. Second row: B. Coron, L. Wrightnour.

Pi Gamma Mu

PI GAMMA MU was founded in 1924 at Southwestern College and the College of William and Mary. The first Chapter established was at the Univ. of Pennsylvania in 1927. Alpha of New Hampshire Chapter was installed at the University in 1941. There are now some 115 chapters. The purpose of the society is to improve scholarship in the social sciences by recognizing students with high scholastic standing. The chapter awards an annual scholarship key to the graduating senior with the highest scholastic record in the social sciences.

First row: A. Johnson, J. Perich, R. Yocopucci, C. Brown, C. Degler. Second row: W. Dedham, G. Fillmore, J. Stanton, E. St. Peter, G. Daughan, N. Murphy, J. Howland.

Pi Mu Epsilon

PI MU EPSILON is the national honorary mathematics society which was founded at Syracuse University in 1914. The New Hampshire Alpha Chapter was organized in 1948.

It was founded to promote mathematical scholarship among the students in academic institutions of university grade. In accordance with this purpose, membership is limited to those who have excelled in advanced mathematics courses and who have outstanding grades in their general college work. To recognize high scholarship in mathematics, the society presents an award to the freshman who ranks highest in mathematics.

First row: H. Wing, N. Turgeon, C. Costellona, G. Courtney, J. Moirhuber. Second row: J. Treamer, R. Story, I. Willeke, R. Norman, M. LaCava.

Sigma Alpha Beta

SIGMA ALPHA BETA is a Bacteriology Society at the University of New Hampshire. The object of this bacteriology club is to bring together, at frequent intervals, students who are interested in bacteriology in order to promote a better understanding of the science, to encourage high scholarship, and to further the spirit of fellowship and cooperation among its members. In the act of accomplishing its objective the club serves to acquaint its members with some of the latest developments in the field of microbiology and to disseminate information concerning such developments.

First row: A. Schor, J. Nealan, K. Stanley, C. Chase, J. Hunter. Second row: E. Gagne, A. Carleton, N. Fernald, K. Wilder, R. Newburgh.

Tau Beta Pi

THE New Hampshire Alpha Chapter of Tau Beta Pi, the national Engineering Honor Association, was installed at the University of New Hampshire in 1950. Membership in Tau Beta Pi is restricted to those male engineering students with a high degree of scholastic achievement in the junior and the senior classes. This is the highest scholastic honor conferred upon an engineering student.

Activities include slide rule classes, and helping with the annual open house of the College of Technology.

First row: N. Turgeon, H. Wing, G. Courtney. Second row: R. Kieffer, C. Castellano, R. Frechette, R. Dillon.

Tau Kappa Alpha

TAU KAPPA ALPHA, the honorary national debate organization, has as its objectives the cultivation of effective speaking, the attainment of high scholarship, and the duty of responsible speech.

The activities of the UNH chapter of TKA included community debates on the gubernatorial campaign; debates before high school assemblies; an annual debate with the Massachusetts Correction Institute at Norfolk; inter-collegiate debate tournaments at various schools in the East; and an annual inter-house tournament held on campus.

First row: M. Higgon, C. Hickey, L. Huntoon. Second row: L. Blow, M. LeBlanc, B. Cullinane, S. Preston, B. Lyons. Third row: J. Williams, W. Savitch, P. McEachern, B. Dexter, R. Reeves.

Phi Upsilon Omicron

PHI UPSILON OMICRON is a professional Home Economics National Fraternity. Its purposes are to establish and strengthen friendship, to promote moral and intellectual development, and to advance and promote the field of Home Economics. Membership is based on scholarship, leadership, personal qualities, activities, and interest in home economics as a career.

A biennial conclave, this year held at Iowa State University, offers all the active and alumnae chapters an opportunity to attend discussion groups, work on committees, and meet with the national council in a business meeting.

First row: L. Laferriere, C. Green, E. Rand. Second row: K. Sosted, S. Crand, H. Nelsan.

Psi Epsilon

PSI EPSILON, the honorary Economics-Business Society of the University of New Hampshire, was founded in 1937 to promote progressive interest in, and sound knowledge of, the fundamental principles and practices of modern business and economics.

The members of Psi Epsilon are juniors, seniors and graduate students in the Department of Economics and Business Administration who have demonstrated outstanding ability and merit in their field. Prominent New Hampshire businessmen are also selected as honorary members.

First row: J. Stanton, N. Murphy, R. Yacopucci. Second row: C. Degler, A. Johnson.

Psi Chi

PSI CHI, the national honorary society in Psychology, has as its primary goals the advancement of scientific psychology and the encouragement of scholarship among its members. Psi stands for "Psyche" which means "the mind," and Chi stands for the "Cheires" meaning "hands," signifying fellowship and research. The Psi Chi chapter at UNH was established in 1948. Guest speakers before the society familiarize its members with current applications of psychology in allied fields.

First row: R. Hart, J. Nadeau. Second row: B. Cole, D. Roe, A. Anderson.

Animal Industry Club

THE Animal Industry Club, was created in 1949 to further interest and knowledge of the livestock industry both here, at home and throughout the world. This aim is realized through field trips, lectures, films and demonstrations, and active participation in the livestock programs of the University. The annual Little Royal Fitting and Showing Contest, which is the major attraction of All-Aggie Day, is one of the most important of these programs. The club also sponsors a scholarship which is given each year to a student in Animal Science, Dairy Science, or Pre-Vet.

First row: S. Waddell, W. Martin, M. Perreault, J. Pulver, P. Kelley.
Second row: L. Tirrell, J. Thomas, H. Killam, L. Symons, E. Pedrsan, G. Smith.

First row: R. Borry, W. Bickford, T. Shute, R. Dillon, J. McGroth, M. Szycher, R. Andrews. Second row: J. Carty, R. Colman, C. Brown, P. Hagen, D. Murphy.

A. I. Ch. E.

THE University of New Hampshire student chapter of the American Institute of Chemical Engineers was organized in 1952. Its purpose is to help acquaint students of Chemical Engineering with their profession and with each other. This is accomplished by scheduling speakers, taking plant trips and participating in regional A.I.Ch.E. meetings.

Faculty advisors are Dr. Zimmerman and Dr. Lavine.

First row: R. Clark, R. Rainville, R. Johnson, R. Reeves, H. Wing, G. Courtney, J. Bonner, N. Major, A. Delisle, J. Bienick, R. Goodrich. Second row: A. White, M. Jackson, R. Munroe, R. Ray, N. Theberge, R. Sansoucie, L. LaMarre, F. Weibel, C. Dunham, D. Barker, H. Cornell, W. Nash, I. Piaseczny, D. Daniels, J. Belliveau, D. Wheeler, G. Gattzoulis. Third row: M. Shirley, H. Hawes, J. Theall, C. Clark, R. Harrington, R. Regan, R. Gladu, J. Reilly, E. Dufka, P. Amazeen, E. McNally, R. Perkins, D. Praugh, C. Curtis, E. Ellsworth.

AIEE-IRE

THE student branch of the American Institute of Electrical Engineers at UNH was founded in 1909 to acquaint students with professional ideas. Since 1953, the Institutes of Radio Engineers, IRE, and AIEE have operated jointly.

The principal functions of the organization are field trips to electronic and electrical firms in this area for a first hand account of industry in action. It also schedules technical addresses by prominent men in the field of engineering.

A. S. C. E.

FOUNDED in 1928, the student chapter of the American Society of Civil Engineers established to help Civil Engineering students to enrich their college courses by beginning those professional contacts and associations which are so valuable to the practicing engineer. These objectives are attained through weekly meetings at which professional engineers lecture on the various aspects of Civil Engineering, movies of vital interest to engineers, and through field trips to engineering projects in the vicinity.

First row: G. Kamil, R. Belliveau, C. Castellano, F. Poflak, H. Jibry, N. Turgeon, R. Kieffer. Second row: F. Finnemore, P. Kelly, L. LeBlanc, G. Brooks, G. Monast, R. Frechette, P. Joos.

First row: C. Dawson, J. Manzi, D. Chauvin, M. Plamondon, W. Grant, J. Young, R. Thompson, R. Barsanti, L. Evans. Second row: V. Bishop, R. Sanborn, R. Lavoie, J. Bissiscombe, R. Bacon, R. Cote, L. Silberberger, R. Story, R. Livingston, F. Fardshisheh. Third row: D. Smith, R. Marshall, R. Nylander, J. Bowyer, J. Landry, J. Savage, R. Eckloff, D. Perkins, R. Emith.

A. S. M. E.

THE student branch of the American Society of Mechanical Engineers was organized on the campus in 1926. The purpose of the group is to advance knowledge of the mechanical engineering profession, presently a proper perspective of engineering work.

The group activities this year have consisted of a series of lectures by U.N.H. grads, field trips, weekly seminars by the members, and a student faculty banquet.

First row: C. Byers, S. Mitchell, A. Stevens, W. Berry, S. Plummer.
Second row: Rev. Savidge, M. Crofoot, S. O'Connell, K. Haselrud, J. Sawyer.

Christian Association

THE Christian Association is an organization including members from all the major Protestant denominations represented on campus. CA is a fellowship of students dedicated to Christian living while seeking to learn more about God and Christ through study, discussion, and service.

Our meetings are held on Sunday night under the guidance of the University's Minister to Students, Rev. Robert M. Savidge. At these meetings, Christianity is constantly challenged to show how its theology, ethics, or religious observances are relevant to contemporary modern life.

Cat Tales

ALTHOUGH the CAT TALES, humor and literary magazine has been in existence only two years already its circulation is campus-wide. The magazine's aim to provide an opportunity for publication of student talent, fiction, and non-fiction, poetry, artwork, and humor. Publication is four times a year. With the assistance of faculty advisor Thomas Williams of the English Department the Editorial Board manages each issue. Enter supervision of the magazine rests in the hands of editor-in-chief, Sandra Berry. The magazine continues to expand with larger issues planned for next year.

C. Smith, S. Berry, P. Burleigh, M. Shaw.

The College Road Association

THE College Road Association is the representative body of the married students living on College Road. The primary function of the association is to handle the affairs of College Road and to hold social events throughout the year for the enjoyment of the married students.

This year, in addition to regular duties, the Association has taken an active interest in the new housing units for married students.

The monthly newspaper, turkey raffle, children's Christmas Party, auction, and seasonal socials, are all enjoyed by the College Road families.

First row: K. Stanley, A. Anderson, E. Paterson. Second row: J. Vickers, C. Moore, J. McDonald, D. Ayer, G. Grand.

Canterbury Chapter

THE Canterbury Chapter at the University of New Hampshire is part of the National Canterbury Association which is sponsored for college students by the Protestant Episcopal Church of the United States. The purpose of the chapter is to relate Christianity to university life, thereby deepening understanding of the faith, and of our relationship with God and our fellow man.

In the past year the Canterbury Chapter has sponsored speakers on subjects of campus concern, and sent delegates to conferences. The chapter has profited by exploring subjects of religious, philosophical and moral interest.

First row: A. Nielsen, A. Orton, A. Owens, F. Platt, D. Parker. Second row: Rev. Snow, G. Ayres, B. Lockwood, J. Reeves, P. Robertson. Third row: S. Weathers, S. Locicero, J. Easter, D. Brown, R. Dunn, G. Eichhorn.

Concert Choir

First row: B. Burrow, Accompanist; A. Griffin, N. Watson, S. Tate, M. Smith, S. Cromer, C. Goodwin, M. White, R. Daucette, S. Westan, R. Jewell, M. Paige, D. Sherman. Second row: J. Anglin, M. Moes, A. Foster, N. Conklin, D. Morin, W. Winter, B. Henson, J. Wirkala, T. Canilles, L. Wilder, V. Wright, G. McKee, R. Hoeh, K. Bratton, Conductor. Third row: B. Rostohar, C. Warden, B. Fisher, D. Wright, J. Foster, C. Billings, N. Peffes, P. McIntosh, E. Perrigo, D. Bradford, S. Robinson, D. Sweet, A. Rich, C. Riley, W. Fuller, C. Lowell. Fourth row: N. Batchelder, R. Ellis, B. Murrell, R. Cauldfield, J. Ranta, S. Fitts, G. Davis, S. Fitts, N. Coffin, D. Monahan, S. Wilson, S. Tobey, B. Garside, T. Bergier, A. Miller, J. Juknevich.

U N H Symphonic Band

First row: S. Lucian, D. Osborne, P. Rainey, S. Fairchild, S. Osgood, C. Snowman, M. Brodie, D. Emmons, D. Wilson, A. Owen, Director; R. Weaver, S. Abell, B. Smith. Second row: M. Turbyne, L. Ayer, S. Berry, B. Emlet, M. Stuart, D. Parker, C. Colby, R. Grondin, B. Baum, J. Guy, J. Wilson, J. Robinson, K. Keenan, M. Berry, M. Evans, P. Snyder. Third row: L. Lake, M. Haggart, C. Weatherby, R. Dahlgren, T. Dietz, D. King, R. Clark, T. Marshall, G. Peabody, G. Mark, P. Goodhue, K. Kyle, G. McEwen, R. Weden, H. Hikel, B. Libby, J. Johnson, P. Radcliffe. Fourth row: G. King, A. Munroe, R. Todd, L. Kenison, W. Berry, G. Plummer, C. Byers, J. Erskine, S. Sante, C. Granger, D. Brooks, E. Hikel, D. Weeks, D. Downes, R. Wheeler, F. Cruz, P. Ericson, C. Goodwin, P. Parady, R. Delude, J. Morrison, W. Sawyer, W. Berry, R. Willis, D. Paige, T. Papa-george. Not pictured: C. Chapman, O. Swan, H. Schow, A. Crab-tree, A. Small, J. Wells, J. Wilkins, D. Craig, G. Lewin, F. Wolfe, G. McMahon.

Men's Glee Club

First row: S. Gordon, Accompanist; W. Berry, R. Weden, P. Bell, D. Marquis, R. Delude, President; T. Chase, J. Orr, B. Nichols, S. Found, K. Wendzel, J. Zei, Director. Second row: J. Fulton, N. Best, J. Maxwell, T. Dunnington, D. Hill, A. Millar, C. Schwab, J. Hall, P. Boughton, G. Fillmore, Treasurer; C. Wheeler. Third row: R. Schimmelbusch, C. Hussey, D. Tambling, W. Lockwood, C. Noddin, T. Powers, L. Smith, A. Gamache, D. Sharp, T. Kemp, A. Fine, W. St. Pierre, S. Munroe. Fourth row: J. Sawyer, C. Goodwin, Vice-President; A. Pryor, E. Balcom, J. Dei, J. Eberle, P. Austin, Secretary; J. Haskell, J. Curtis, R. Clancy, J. Juknievich, P. Erickson, W. Heins, C. Hammond.

Women's Glee Club

First Sopranos: D. Avitable, V. Chester, M. Collins, M. Crofoot, J. Dale, J. Davis, G. Dolben, J. Greenleaf, A. Huckins, B. Kohr, S. Lothrop, J. Maddocks, F. Mann, M. Martin, E. Maury, J. Moser, C. Meussle, B. Roynes, C. Reed, M. Seitzer, C. Smet, M. Stilson, J. Wilcox, P. Williams. Second Sopranos: H. Bacon, J. Beland, R. Burghardt, L. Burns, B. Cain, J. Carol, L. Corswell, M. DuRie, J. Leitch, S. Powers, J. Rivard, M. Shuter, J. Wilson. First Altos: S. Callan, A. Carleton C. Chapman, S. Drake, J. Howard, C. Lawrence, B. Lawyer, M. Mansell, S. Plummer, M. Pomerleau, S. Ross, A. Small, J. Sullivan, J. West, J. Wisell, B. Wodd, K. Zegarra. Second Altos: K. Baxter, P. Bowering, M. Boyden, L. DeWitt, J. Gray, T. Johnson, U. Karoliszn, M. Kimball, D. King, P. Quimby, E. Sinclair, L. Stevens, N. Stone, C. Wright, M. Zebey. Accompanist: E. McFarland. Conductor: J. Zei.

Freshman Camp

FRESHMAN CAMP is a traditional part of the orientation procedure at the University. Particular stress is placed on the values and attitudes toward education on the campus. Along with a stimulating discussion program, there is also time for recreation, giving the Freshmen the opportunity to meet Future classmates. Freshmen also have a chance to meet informally with faculty members and University administrators.

First row: C. Bartlett, N. Parry, D. Babcock, B. Ferguson, J. McKenzie, J. Cabana. Second row: P. Robinson, M. Casazza, L. Ayer, M. Clover, E. Czaja, N. Watson, A. Alexander, V. Battaglioli, C. Zaejac. Third row: C. Carnival, D. Krause, L. Wedekind, P. Narkiewicz, S. Feimer, H. Utman, F. Fisher, B. Cote, S. Unterman, P. Bell, T. Morrill. Fourth row: J. Aieta, L. Albert, S. Le Brun, B. Baath, P. Edsall, L. Buckman, C. MacIntosh, P. Kotseos, B. Russell, L. Gregory, E. Little. Fifth row: A. Learnard, B. Sims, P. Nicholas, M. LaCava, J. Dye, P. Greer, P. Tobey, S. Tougas, T. Tripp. Sixth row: D. Duntan, A. Crooker, B. Beers, B. Wallinger, B. Thorp, C. Clarke, B. Lockwood, S. Tremblay, B. Fowler, B. Kimball. Not pictured: D. Murphy, H. Garside.

F. F. A.

THE academic year of 1960-61 finds much activity in the collegiate chapter of the Future Farmers of America. The membership was doubled early in the year, due to the addition of a large number of energetic freshmen. Two major money making projects were a meat cutting service and a used machinery repairing and selling operation. The officers have performed initiatory degrees for some of the high school chapters in the state.

First row: R. Carson, V. Kelly, R. Robertson, R. Wasserstram, F. Davis. Second row: E. Vase, B. Smith, J. Mangini, C. Lord, A. Ayatte, R. Bell.

Guild Student Association

THE Guild Student Association is a group composed of all the organ students on campus. An associate membership is allowed for any other student interested.

The purpose of the group is to foster the interest in organ playing and in organ music. This is accomplished by providing for group as well as individual activities.

Activities for this year included attending various recitals by famed performers, organ and piano recitals by the group members, and guest lecturers.

First row: K. Kennedy, C. Byers, I. Bartley, C. Leland, M. Boyden. Second row: D. Mellett, D. Bennett, T. Hunter, R. Clancy, J. Emery.

Hillel

HILLEL functions under B'nai B'rith and aids in giving its members an extensive program in the understanding of the Jewish heritage and its customs.

The activities include a freshman tea and a series of socials with both Israeli and American folk dancing. Hillel also sponsored Sunday bagel and lox breakfasts, a series of discussions and debates, and an athletic program with other colleges and universities.

First row: N. Ramler, S. Rubenstein, S. Collen. Second row: E. Markowitz, L. Weinstein, A. Weinstein, L. Cazes.

Home Economics Club

THE Home Economics Club is a student organization whose objective is to provide for the professional development of college Home Economics students. The club works toward this by acquainting students of the University with the fields of Home Economics—state, country, and worldwide. It stimulates further interest in Home Economics while promoting good fellowship among students and faculty of the University. It creates an understanding of peoples of all nations and encourages graduating seniors to join the American Home Economics Association.

First row: D. Mellett, G. Aycock, Sec., M. Davidson, Treas., K. Sosted, S. MacIvor. Second row: S. Fairchild, S. Frazer, M. Kimball, H. Nelson. Absent: L. Laferrere, Pres., N. Pettes, V. Pres., D. Wills, Advisor, S. Thames, Advisor.

International Student Association

THE International Student Association is dedicated to international understanding, intercultural exchange, and to aid foreign students in adjusting to a new way of life. We represent nearly thirty nations of the world including the United States.

First row: E. Gallagher, T. Anakasant, H. Jibry, A. Bregman, F. Fortuna. Second row: C. Zimmerman, E. Wilde, M. Shukri, I. Sharabati, I. Bigelow. Third row: G. Gulya, M. Mekaoui, M. Farrokhror, G. Willeke, F. Willeke, I. Willeke, A. Butterfield, Y. Elmehrik, F. Fardshisheh.

I. V. C. F.

INTER-VARSITY Christian Fellowship at the University is one branch of many found on college campuses throughout the country. Its purposes are to strengthen the spiritual lives of its members by Bible study, prayer, and Christian fellowship, leading them to a greater personal faith in Christ. It helps support the work of missions, home and foreign, and encourages personal participation in the work of the church of Christ. Weekly meetings for Bible study are held in the C. A. Lounge in New Hampshire Hall.

First row: P. Edsell, F. Gunin, J. Swasey, L. Pearson, M. Keiter.
Second row: F. Wolfe, T. Crosby, C. Chapman, P. Mugent, R. Eggert.

First row: T. Hunter, L. Barker, L. Sanborn, S. Ross, R. Buttny.
Second row: V. Alexander, D. Lovett, D. Azikiwe, P. Mogero, B. Payne, M. Zebley.

Horticultural Club

THE U.N.H. Horticultural Club is an educational and social club. Our meetings, held on the third Thursday of each month, are student operated. Educational programs in the various fields of horticulture are presented. A social hour with refreshments provides an opportunity for staff and students to relax and become better acquainted.

Annual trips have included those to the Spring Flower Show in Boston and to the Arnold Arboretum. At the beginning of each school year club members sell cider to provide funds for the activities.

Lens and Shutter

LENS and Shutter, the campus photography club, is open to the amateur and the novice as well as the more serious photographer. Members of the club include students, faculty, and staff. Different phases of photography are experimented with and, if desired, individual instruction is offered.

Model Night is one of the traditions of the club, using the candidates for Winter Carnival queen as models.

During meetings the members of the club can use a fully equipped studio. Also, we now have a new darkroom.

First row: L. Swanburg, T. Haapalo, R. Merritt, Advisor, N. Nugent, H. Dumville. Second row: W. Wilson, Soc. Chm., L. Evans, R. Chadbourne, Jr., L. Ferriss.

M. E. N. C.

THE purpose of this student chapter is to afford students an opportunity for cooperative and reciprocal professional development while still in school. More specifically, it helps students to develop a practical, realistic concept of the music education profession. This is gained from actual participation in programs, performing groups, and in the state, divisional and national meetings of the professional organization.

First row: S. Abell, C. Colby, M. Boyden. Second row: C. Byers, J. Robinson.

O. T. Club

THE Occupational Therapy Club is open to all students interested in or majoring in the O.T. curriculum. Throughout the year this club meets to become more informed on topics concerning Occupational Therapy in action. To broaden our knowledge of Occupational Therapy and the medical sciences, the program centers around the members and their interests and includes service projects, speakers, films and recreation.

Projects to be undertaken this year include recreational activities for the Portsmouth Navy Hospital and a winter party for the folks at The Stratford County Home.

First row: L. Footman, D. McCann, B. Coron, M. Colkins, C. Zimmerman. Second row: S. Dustin, A. Henderson, M. Greene, N. Chisholm.

Newman Club

NEWMAN CLUB, the Catholic organization of college students, is one of the over six hundred Newman Clubs on college campuses throughout the U. S. It is actively engaged in weekly lectures by noted authorities and invites all colleges students to participate. These lectures include the political, social, cultural, and religious ideas which are constantly emerging from our society and provide the college student with valuable information to formulate his opinions.

First row: D. Sanford, P. Pope, C. Olesniewicz, J. McGonagle, Father O'Connor, J. McEachern, M. Finnegan, L. Rousselle, J. Olesniewicz. Second row: F. Guin, N. Theverge, R. Caulfield, L. LeBlanc, J. Ross, T. Powers, R. Belliveau, M. Dunn.

Mike and Dial

WMDR, owned and operated by Mike and Dial Radio, is set up along the lines of commercial radio stations; programs consisting of music, interviews, news, and sports, supplemented by special events, concerts, and lectures. The Radio station, which is located in the Memorial Union Building, provides an outlet for students interested in any field of radio, such as announcing, engineering, writing, publicity, or directing.

First row: L. Purdy, T. Buckley, D. Henderson, W. Tucker, B. Bouchard. *Second row:* J. Garneau, G. Greene, D. Pierce, A. Garand, W. Hawkins. *Third row:* D. Chamberlain, B. Driscoll, T. Prescott, D. Barker, P. Ericson, W. Stearns, A. Komaridis, T. Dietz, M. Hillier.

N. H. Hotelmen

THE New Hampshire Society of Hotelmen is a professional, social and fraternal organization for persons majoring in Hotel Administration. It plans and conducts field trips, exhibits, and social functions, and each year presents a series of gourmet dinners.

A close relationship is maintained with the New Hampshire Hotel Alumni Association, and the Society acts as a public relations arm of the Department. The Society supplies committees for studying various departmental problems, and in general, carries out the objectives of the department.

First row: M. Houck, T. Marshall. *Second row:* Dr. Lundberg, J. Graves.

Poultry Science Club

THE Poultry Science Club was organized by students and faculty in 1939 with the purpose of promoting and stimulating interest in poultry husbandry among members of the student body.

In the monthly meetings, guest speakers kept the club abreast with the latest developments within the industry.

The highlights of the year included, our spring barbecue, and the Seventh Annual Awards Banquet when Thomas Gadd and Jacob Silberberg were presented with awards for their continued support, participation, and stimulation among the future leaders of the poultry industry.

First row: D. Cree, R. Garland, S. Wiley. Second row: W. Collins, P. Hopkins, J. Swanson, R. Costantino, W. Skoglund.

Radio Club

THE UNH Amateur Radio Club is open to all licensed amateur radio operators and any person interested in radio experimenting or operating. It has its own "Radio Shack" which is licensed in W1ASZ. Classes in International Morse Code, and elementary, and advanced radio theory are held, and F.C.C. radio tests are given. Messages to all parts of the world are sent and received on civilian and military "traffic nets" regularly.

Business meetings are held on the first and third Wednesday of each month in the MUB.

First row: W. Sawyer, K1ABM; M. Greene, A. White, W1CSW; A. Crabtree, K1CJT; F. Cartier, K1DFM. Second row: H. Schow, W1ZIZ; R. Ray, W1FRV; R. Houston, R. Guerra, K1HEI; B. Honsen, K1LFQ; A. Durette, K1EJE; R. Christopher, K1GDZ.

Socratic Society

THE Socratic Society is the Philosophical Society of the University of New Hampshire. It is a rather unique organization; dedicated to free philosophical inquiry and helping to promote an intellectual and permissive atmosphere. True to the Socratic tradition, the scope of the society's inquiry is as broad as Being itself.

Off campus speakers were invited to speak at meetings this year in order to provide all aspects and points of view on the questions proposed by the group.

First row: J. Reeves, R. Jordan, J. Kezar. Second row: M. Arlinsky, E. Power, R. Hart, R. Shea.

Student Educational Committee

THE Student Committee on Educational Policy in the College of Agriculture was established in 1953. The purpose of the Committee is to have a group of responsible students study and bring to the attention of the faculty in an organized way, student thinking about curricula, college social functions, clubs, teaching methods, and any other matters of importance.

The present Committee is composed of senior students in each of the major fields of study in the College.

M. Richards, R. Garland, D. Baker.

Sports Car Club

THE UNHSCC brings together those students interested in sports cars and/or fast, skillful, safe driving under non-highway conditions. Many rallies, gymkhanas and speed events were put on during the past year, including the Annual Fall Invitational Rally, the Durham Road Trials, the Ice Trials and the Belknap Hill Climb. A member of ISCA, the club incorporated itself this year, and increased its membership and activities.

First row: L. Haley, J. Maxwell, R. Maxwell, G. May, S. Webster, M. Jackson. Second row: R. Heath, R. Grover, J. Sawyer, M. Kelly, G. Goodridge, K. Clough, D. Livingston.

Christian Science

THE purposes of the Organization are: 1. To give the college community an opportunity to learn more of the truth contained in Christian Science as taught in the *Bible* and in *Science and Health with Key to the Scriptures* by Mary Baker Eddy. 2. To welcome Christian Scientists entering the college and unite them in closer bonds of Christian fellowship. 3. To co-operate whenever possible with other student religious groups and with college authorities in projects that promote interreligious interest. 4. To sponsor, at least once a year, a lecture by a member of the Board of Lectureship of the Mother Church: The First Church of Christ, Scientist, in Boston, Massachusetts.

Forestry and Wildlife

THE Forestry and Wildlife Club unites in a strong bond those students with a deep interest in forestry and wildlife. Its aim is to promote the professional status of the members, to keep in touch for forestry and wildlife problems and interests all over the country, to maintain a close relationship between the students and faculty, and to make the club a vital factor in University activities.

DORMITORIES

M. I. D. C.

First row: D. Bliven, P. Amazeen, N. Major, C. Brown, J. Olesniewicz. Second row: D. Smith, M. Renaud, C. Sargent, T. Snell, R. Szopa.

THE Men's Interdormitory Council consists of the presidents and vice presidents of the seven men's dormitories with Associate Dean of Students Robb Gardiner and Housing Director Frances Gordon acting as advisors.

The purpose of MIDC is "to promote the participation of the residents of member dormitories in intramural and interdormitory athletics, social affairs, and self government."

MIDC meets bi-weekly to discuss dormitory

PAUL AMAZEEN
Vice-President

NORMAN MAJOR
President

CHARLES BROWN
Secretary

DAVID BLIVEN
Treasurer

activities and problems. The Council acts as a coordinator of the activities of the seven housing units.

In recognition and encouragement of academic achievement, MIDC awards the "Scholastic Trophy" to the dormitory attaining the highest grade point average. MIDC also awards the "MIDC Achievement Trophy" to an outstanding Senior dormitory resident. MIDC backs the two annual blood bank drives held on campus in autumn and spring and presents an award to the men's dormitory donating the most blood. On Homecoming Weekend in October, MIDC, with IFC, co-sponsors the Homecoming Dance. During Winter Carnival, an award is presented the men's dormitory having the best snow sculpture.

MIDC lost two member dorms but regained a former member this year when Hitchcock and Randall Halls went to the women and Fairchild Hall was reconverted to a men's hall.

Officers of MIDC for the year 1960-61 were: President, Norman Major; Vice President, Paul Amazeen; Secretary, Charles Brown; and Treasurer, David Bliven.

This is MIDC's thirteenth year. We are looking forward to many future years of service to the men's dormitories at the University of New Hampshire.

Alexander Hall

AFTER an enjoyable and eventful Freshman Camp Week climaxed by a dance, our new residents settled down in their University home. Many of our freshman participated in intra-mural sports with the upperclassmen.

As always, Homecoming was a time for activity and get-togethers, and the men of Alexander didn't fall short of the general spirit. Our candidate for Queen was a member of the royal court and added her special charm and beauty to the events.

Alexander was the scene of a colorful Halloween Dance. The visit of four Soviets made it all the more interesting. It was an evening well spent and to the advantage of all who came.

For the past two years, Alexander in Mrs. Griswold, has had the best house director on campus.

East - West Halls

BULLETIN: the termites just surrendered! Calmly munching a Commons doorknob, Joe Shua, explained how his forces lost the battle for possession of East-West Halls.

"Crouching behind out-of-order candy machines, East-Westers waged guerrilla warfare. Before we termites had scraped together the remnants of our battle group, president Arthur Pryor and his men charged and fired a barrage of decorations salvaged from the dorms' children's party. Meanwhile, in neutral territory, someone, with an inquiring mind, ascended with the Red Cross blood donation trophy, lit a match, and tested the dorms' 23,000 gallon sprinkler system, it worked! We termites floated out the door, waving white flags.

For her many kindnesses we humbly express gratitude to Mrs. Hill.

Engelhardt Hall

HOLDING true to tradition, the men of Engelhardt made themselves very evident in campus activities. Not only did they maintain their high scholastic standing, but they also demonstrated superiority in other fields. Engelhardt won the inter-dormitory football competition, and the inter-mural track meet.

Homecoming, was even bigger for Engelhardt as they won first place in the dormitory decorations competition. Our candidate for Homecoming Queen was Pam Prime.

One of the high points of the year was the annual Christmas party we gave to the underprivileged children in the area.

Mrs. Graves, our spirited House Mother, headed a fine staff including the counselors: Marsh Harris, Bob Fryer, and Danny Parr. The House officers were President, Dave Bradley; Vice President, Carl Sargent; Treasurer, Dick Aieta; and Secretary, Brooks Nichols. Roger Warren was our social chairman and John Atwood represented the house in athletic matters.

Fairchild

ONCE again the men of Fairchild have moved, but this time happily, back to home, sweet home. To start the semester off, Fairchild's new freshmen were hosts to the frosh girls from Lord Hall. Fairchild's men rallied together in a new burst of dormitory spirit and the social calender included an interesting smoker given by Dr. Berger of the Psychology department. Professor Rosen gave a smoker on the prospects of economics in the new administration. The next smoker was given by Dr. Husch and his topic was foreign policy.

Officers this year were: Paul Amazeen, Pres.; Don Smith, V. Pres.; Paul LeBlanc, Sec.; Dick McCann, Treas.; Phil Clay, Social Chairman; and Dave Buttrick, Sports Chairman.

Gibbs Hall

BRICK-RED Gibbs Hall, had a successful year under the forward-looking regime of House President Roger Renfors, Secretary Howard Yezerski, and Treasurer, Daniel Mullen. Full scope was given to the artistic, athletic, intellectual and social talents of Gibbs Hall residents. Artistic abilities were effectively demonstrated in Homecoming and Winter Carnival exhibits. The autumn and spring sports periods were supported by organization of football and softball teams. Gibbs was able to maintain its perennially high scholastic average due to a dynamic proctor squad and the welcome refreshments served by Mrs. Gile. Gibbs had a sparkling social season with a reception held for our Homecoming Queen candidate and climaxed by the annual Spring Picnic.

Hetzel

HETZEL HALL remains as always the main door to Dumfry's and the Durham shipping area. Through the years it has maintained its popularity as an upperclass dormitory and this year was no exception.

Hetzel's Christmas party for the underprivileged children of the area was the greatest social success of the year due to the fine work of our House Director, the Executive committee, and members of the dorm.

Dorm elections were held in early March this year and a new administration took over the reins of dorm activity. An active social calendar of smokers, a spring dance, and co-recreational activities will be carried out before the year's end.

Hunter Hall

SITUATED deep in the heart of the quadrangle, Hunter Hall was a beehive of activity again in 1960-61. At our "home away from home," our social chairman, Steve Taylor, kept the boys swinging with informal socials planned with Randall, Hitchcock, and Sawyer halls. At Christmas time we joined Sawyer Hall in giving a party for underprivileged children from Portsmouth.

Dave Jackson, our athletic chairman kept the boys physically fit with intermural football, basketball, and bowling.

As was true with most mothers at home, Mrs. Whitcomb, our "adopted" mother, made sure everyone was studying hard. Our administrative echelon included Ron Szopa, President; Sherwin Steinberg, Secretary; and Jerry Lendre, controller of la purse strings.

W. I. D. C.

First row: M. Chadwick, B. Isaacson, K. Saw-Han, B. Bouchard. Second row: P. Nicholas, M. Shaughnessy, C. Murphy, E. Schultze, M. Noonan.

WOMEN'S Inter-Dormitory Council is made up of the house presidents and senior chairmens of the nine women's dorms on campus and serves to co-ordinate the functions of dormitory living in the residence halls. W.I.D.C. recommends legislation to Women's Rules, of which the President of W.I.D.C. is a member,

and acts as a sounding board for suggestions and criticisms. Among its numerous functions, the Council sponsors various campus activities and handles the dormitory social calendar. Being one of the five subsidiary organizations in Student Government, W.I.D.C. plays a large role in the lives of the dormitory women.

A GAIN, this year the fair sex invaded a former men's dorm, Hitchcock. Although this made us the largest dorm on campus we were soon acquainted with most of our neighbors through the efforts of all. Our freshman started off the year claiming three Pep Kitten titles. Hitchcock was on the move! With Homecoming around the corner our committee for decora-

Hitchcock Hall

tions proved they were hard working by producing a second prize, a humorous Charlie Brown. Ellen Czaja was elected Homecoming Queen. Now that we are settled we wonder where our next residence will be. No matter where, we will have memories which will always shine through. We do hope, however, that wherever we live, we will have officers and a house mother equal to those of this year.

AT the end of June, 1961, Lord Hall won the WRA inter-dormitory plaque. The girls worked hard for this trophy and were very proud of their accomplishment. Since September of this year the dormitory has had a number of activities.

Homecoming weekend we gave an open-

Lord Hall

house for the alumni, coeds, and the coeds' parents; cider and donuts were served. In October we held a fireside chat which was both interesting and entertaining. During the Christmas season, the dormitory gave a party for a group of orphans. Each girl brought gifts for a child which were given out by Santa Claus. Both the girls and the children had a wonderful time.

"**M**cLAUGHLIN MEMORIES." From the shyness of the Frosh to the sureness of the Seniors, we worked, studied, and participated in many campus and inter-house activities.

Crisp fall days brought victory to the UNH gridiron and well attended coffee hours in the dorm was a flurry of activities during Winter Carnival with snow sculpture preparations. One of the outstanding social functions was a holiday coffee hour with Dean McQuade.

One of our greatest memories was an auction held for a former McLaughlinite. The dis-

Mc Laughlin Hall

covery of prize possessions going up for bid added to the merriment and benefit of a worthy cause.

"McLaughlin Memories" were all achieved under the guidance of our house director, Mrs. Priest, the counselors, and dormitory officers.

Never ending buzzers which are somehow always for somebody else
 Our housemother, Mrs. Fifield, who is always ready to help
 Refreshments during finals — a break from studying
 Turkeys sent to needy families at Christmas
 Homecoming — yelling at the football game, dressing up for the ball, and decorating for the "speculative Sixties"
 Christmas — decorating the tree, exchanging gifts, and caroling
 Our Counselors — the best ever
 Nearly freezing while building the winter Carnival Snow sculpture

North Congreve

Grinders — our favorite supper treat
 Roasting in the sun to get the best tan on the floor
 Englehardt, whom we joined for Christmas caroling and dorm parties
 Vacations — needed breaks from a strenuous schedule
 Exams — oh wel, all the memories can't be good

IN September, 1960, tradition began as 132 eager girls invaded the previously masculine Randall Hall. Janet Davis and Allana Hennessey were chosen as Pep Kittens. We elected our first dormitory officers: Mary Shaunessey, President; Linda Mace and Barbara Lawyer, Vice President; Sue Hopkins and Alana Hennessey, Treasurers. In October we boasted three candidates for Homecoming Queen. In November one of the Randall girls was elected to freshman class office.

Randall Hall

On many nights, Mrs. Talbot our house-mother, would anxiously await us as the bongos were heard from T-Hall. Ah, Yes, who can forget the conveniences we didn't have — full length mirrors, a T.V., a second telephone, those coke machines. Life at Randall meant stereos blaring, spotlights on the pathways, open houses, after the football games, the holiday parties, and close friendships. These memories helped Randall establish lasting traditions and a fine reputation as a new women's dormitory.

SAWYER can once again look back upon a year filled with eventful memories. 1960-61 opened with our frosh enjoying an Orientation Week dance at Alexander Hall, followed by get-acquainted parties in the dorm. Football season brought with it our never failing "open houses" after every game, and our special highlight: entertaining the visiting Russians.

Homecoming also was a time for busy activity, when we captured the trophy. In competition with our ping-pong table was a new T.V.

Sawyer Hall

for which we all contributed, gladly. Who didn't watch the 1960 elections?

Sawyer girls participated in many exciting events this year such as the Powder Puff football game, inter-dorm sports, firesides, and our annual Christmas party with Hunter Hall for the orphans.

Our activities have been successfully carried out this year by our efficient officers; President, Sonia Hazen; Vice President, Emily Maslem; Secretary, Jean LaMothe; Treasurer, Ruth Hurley; Social Chairmen, Kippy Issacson, Joyce Lerna-towitz, and Linda Flint.

SCOTT Hall opened its doors again in September, 1960, to admit the incoming freshmen and returning upperclassmen. Freshmen Little Sisters and their Big Sisters got acquainted at a weenie roast in Scott's living room.

Homecoming weekend brought with it an enthusiastic response from all the girls of Scott in an effort to retain last year's trophy. This year's theme was "Speculative Sixties" and Scott's entry represented four achievements hoped for during the sixties; a cure for cancer, world peace, abolition of hunger in the world, and man's conquest of the moon.

This year's Halloween party was an overwhelming success. The girls really used their

Scott Hall

imaginations to transform the everyday items of a dormitory room into ingenious costumes. J. G. Wheeler, Judy Knox, and Carol Snowman, our social chairmen, organized games and served cider and donuts.

To our understanding housemother and our hard working officers, we give our sincere thanks for making our home on the UNH campus an unforgettable experience.

THE girls of Smith Hall started this year with Mrs. Anderson, new to Smith last year. Her guidance, understanding, and cheer lent a bright atmosphere to the oldest dorm on campus. Our officers this year were; Deborah Trull, Ruth Parker, Ann Brice, and Allison Meader. We worked together to make Homecoming and Parent's Day fruitful events. Cathy Lowell and Pam Prime — Our social chairmen — organized the Halloween Party, and as usual, our menagerie of stuffed animals at Christmas brightened up the living room and added to the gaiety of the holiday.

We were honored to have Dr. Donald Chap-

Smith

man of the Geology Department speak to us at our fireside in the spring.

We also had some flavor from south of the border. Nitza Jimenez, from Panama, lived with us.

All in all 1960-1961 has been good to all Smithites. It was a year well spent and exemplified the spirit of the girls who live, work, and study together here in Smith Hall.

"WELCOME Home Comgrads" aptly describes our South Congreve hospitality. A special welcome was intended for all the grads who watched UNH defeat Delaware. In the post game excitement of Open House they sipped punch and chatted with our house mother, Mrs. Sargent and the officers Cornelia Murphy, Donna Escala, Susan Fitts and Mary Brouwer.

The night of Mil Arts . . . Christmas caroling

South Congreve

. . . fruitcake and blazing logs was the setting for a successful trim-a-tree party.

The cold winter passed quickly in South . . . bridge games, coffee breaks in the livingroom during finals and fire drills were all part of "extra" hours in South.

Before we realized the time, seniors were pre-occupied with senior week and graduation. June came too soon, the studios . . . the beachcombers . . . and the senior . . . had all evaporated before the first breezes of summer . . . it was a great year, grads.

Inter-Fraternity Council

THE Inter-fraternity Council, composed of a senior and a junior delegate from each house, is a governing body of the fourteen fraternities on campus. The Council sets fraternity scholarship standards, formulates rushing rules, and regulates rushing and pledging. The IFC also works as an organization that is of service to the student body and townspeople as well.

IFC sponsors many of the social events on campus, such as the annual Homecoming Dance in conjunction with IDC, Mayoralty, and Song Fest. The Council cooperates each semester with the Red Cross in its campus blood Donor Drive. Each year the fraternities offer a room and board scholarship to a foreign student, and a plaque at the end of each semester to the house having the greatest scholastic improvement.

As a service to the houses, the Council organizes a Fraternity Workshop each Spring. House officers talk over common problems, benefit from discussion with leaders in the Greek world, and obtain ideas for improvement in their respective houses.

Acacia

ONCE again the Brothers of Acacia made the annual migration to the Mecca of togetherness, the Taj Mahal at 10-12 Mill Road, filled with a spirit and drive to make this a memorable year in the History of Acacia — which we promptly did by taking runner-up in Homecoming. This however, was only a prelude to the big event — Mayoralty. Acacia rose to the fore and took a big first in this event with the always spirited entertainer, the effervescent Duke of Durham, Tony Marshall, complete with entourage of Brian 'The Actor'

Corliss as Sir Walter Raleigh. We joined with Alpha Chi to be the first honorary producers of a Mask and Dagger production, "The Crucible." And then, Mil Arts with our candidate Nancy Du Rie, an aid to the queen.

The graduating seniors will miss the Freshmen Teas, Christmas parties, house participation in campus and I.F.C. events, the work, the life that is Acacia.

Acacia will, in turn, miss — but always remember this year's graduation seniors and the work they have done for Acacia. Paul Lindquist — 'Mr. Football' Good Luck with the Pro's, Paul! Hal Wing, Wes Bickford, and Jack Bowyer — the great white hunters. Rod Brock, Cliff Clark, Tim Morrill, and Cal Fowler — join Uncle Sam's fighting green Fraternity. Fred Bossert and Dave Monroe — Acacia's loss is the Air Force's gain. John Kjellman — goes in a cloud of dust riding his vacuum cleaner. Briggs Bunker and family leave for parts unknown. Good Luck Men!

AS another year draws to a close, we, the men of Alpha Gamma Rho will always remember the past two semesters as one of the richest and most enjoyable times in our lives.

We will always remember our high scholastic average, Saturday night house parties, Homecoming, and Winter Carnival. Also, one very memorable night putting down the new kitchen floor.

In February, two of our much respected brothers received their hard earned "sheepskins;" William "Crumbie" Royce and our Nobel Ruler, Edward Heath. Following them in June, thirteen other "Alpha Gams" will join the alumni ranks. Emery "Ace" Bassett and Dick "Hunky" Simonian returned in February for their final semester. Also, from the wilderness of Alaska, Philip "Hoot" Wightman returned for his final semester. The "regulars"

A Γ Ρ

leaving in June are Alan "Putt" Putnam, Bruce "Crazylegs" Rogers, Richard "Dick" Marshall, Gerry Ouellette, Bill Martin, Fred W. "Bill" Courser, Ron "Pancho" Clay, Tom "The Kid" Young, and last but not least, Bob "Bubba" Lawther.

To all of these men go our deepest gratitude for the part they played in helping to build the deep, lasting tradition and friendship found at Omega chapter of Alpha Gamma Rho.

May they all find success and happiness wherever their paths may take them.

ΑΤΩ

JUNE, 1961, sees another senior class leave the Tau house.

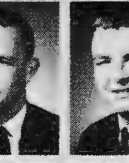

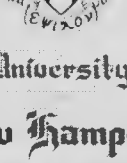

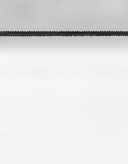

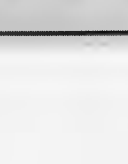

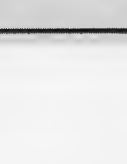

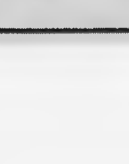

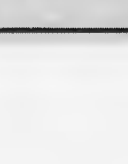

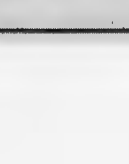

Jason "Chick" Bridge, Robert "Where's the Key" Jones, Pete "Colby Junior" Floyd, and Robert "Pee Wee" Shea are slated for military service as commissioned officers. Eliot "Hebron" Bemis will carry the smell of James Hall

to the four corners of the world. Our Student Senate representative, Bob "be kind to animals" Campbell will enter veterinary school. Mike "the Banker" Kirk, the house treasurer, and Bill "Sap" Saplin will attempt to improve the nation's economy. Depression, here we come! Jack "the Greeter" Segalini plans to buy a chain of hotels. His business partner will be Al "give 'em some wood" Maxwell, the president of ATO. "Max" has been a capable leader for the Taus, especially on road trips to Boston. Walter "Psych" Ayre is developing the theory of the Ayreian complex which should revolutionize psychology. Marty "Cramp" Hall and Bill "Emmett" Orcutt will continue to terrorize the ski slopes of New England.

Good Luck to all of you from the Sophomores and Juniors.

We will long regret the passing of the 'Olde School'; but we are sure that with our pledges the big shoes will be filled and overflowing when the class of '61 returns for Homecoming in future years.

THE floors of Beta Kappa Chapter will cease trembling when the footsteps of our 20 senior brothers fade in June.

Heading our contingent of stalwart envoys into world affairs are: Steve and Stan 'the gruesome twosome' Fitts, Dick 'Howie' Johnson, Vinnie 'The voice' Martling, Soc 'Penguin' Coutis, Tom 'Fiorello' McDonnell, Bill 'The toe' Barry, Wayne 'Fudd' Thompson, John, 'Bull-moose' Rau, Bruce 'Goose' Goodhue, George, 'Conrad Hilton' Davis, Bob 'Hooker' Whitcomb, Ed 'The conveyor belt' Nadzeika, Bob 'Killer' Fryer, Don 'Skizer' Kuchinski, John 'Nose' For- et, Bob 'Sleepy' Mochrie, Al 'Eichmann' Aug- ust, Tom 'Bixby' Curren, Marshall 'Mr. Coordi- nation' Harris.

Λ X A

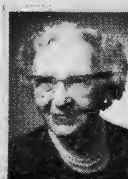

THIS has been a successful year in our new house and we are proud of it. We, the seniors, include:

Butchie Pomerleau known for his box lunches and trips to Wisconsin. Donald Alfred Clarke, son of Mr. and Mrs. Clarke will be home for the holidays. (in the Manchester Union Leader) Maggot's McKiltrick, the skunk

hunter from way down town. Nevada will get Southworth if "little moonyace" doesn't. Turgeon will invent a machine to translate Somersworthese. Clarke Conlon will definitely produce many little cuddles. Powers is currently introducing the GOUVERNOR to anyone who is interested. Joe Banks is now teaching the art of self defense at Parris Island. Hobby Scott tried to burn the bridge but the bridge fought back. Sonny — Womp! Whitey going on as the lover of the house, at least, that's what he says. Mushroom Haselton definitely slated for great things in the Air Force if he can grow 10 inches or lose 100 pounds. Chiller Cairns can still be seen lurking at Dunfey's. Hunk Herrick will be called on as fashion advisor to the President. Cuppy — better known as 'swamp fox' will go on hankling fines. Marty will constantly say nay to all B. J.'s (ie. bad jokes), Cris will become a philanthropist. Puffie in the new combination of Puffie and Puffie. John Griffith, — zzzzzzip. Hi Cousin.

Robbins — Ron "raise-you-five" Benson — Ed "KP-KD" Benson — Don "only a half hour fellas, I've got an exam tomorrow" Ball — Al "Donut" Damour—Henry "mailman" Leblanc.
We'll miss you, brothers.

ANOTHER colorful year at 37 Madbury Road. Our extra-curricular activities this year have included Woodsman's Weekend, a homecoming decoration, a snow sculpture, and intramural sports. Our social calendar has also been full and has included football parties, rock and roll parties, "party" parties, faculty and exchange suppers, rushing smokers and parties, pledge dances, and coffee hours.

We are truly fortunate to have graduating this year the following seniors: the green thumb of the treasury department, Richard Bertrand — Bob "squack" Lavoie — Fred "bet three"

Φ K Θ

NINE Seniors will be leaving Phi Kappa Theta this June. The brothers will always be grateful to Ron Pomerleau who has worked very hard organizing the sale of our house and who has done an exceptional job as President. We also thank Bernie la Boute, UNH's best Hotel Greeter for his fine handling of our gold.

Eddie 'the Head' Donovan, our scribe will also be leaving us in June.

The University will be losing an excellent football captain when Lou D'Allesandro graduates. Ending their college careers will be shy Paul Griffin, "The Barber" Dick Dumont, and the campus Romeo, John Cross, also a Senior Key member. We wish to thank Hank St. Pierre for some of the more serene and inspiring moments and Arthur Monty for some of our funniest ones.

This year has been an excellent year for Phi Kappa Theta in social aspects as well as athletics. Socially the house has excelled in parties and at Homecoming even with the handicap of having just sold our house, we held a reception for our alumni. We also began tradition at UNH with its Powder Puff Bowl for the benefit of Campus Chest.

Next year there will be a picture of your new house in the Granite. There is no doubt in our minds that the graduating brothers will continue to be, as they always have been, a credit to Phi Kappa Theta and the University.

EDWARD VANTINE Studios, Hamilton N. Y.

AS another year draws to a close, Phi Mu Delta looks back proudly on a full year of campus activities and successes. All were happy to accept the trophy for our Homecoming decorations. The house football team kept the intra-mural trophy here at UNH by downing the UMASS champs. Woodsman's Weekend found the Delts chopping their way to victory.

Four years of good times and friendships will long be remembered by those brothers who are leaving the Delt House this year. We bid a fond farewell to: Bob Andrews, our lunch and dinner brother . . . Mike Ashapa, God's gift to the infantry . . . Bill Allison and his famous sneakers . . . Gary Baker, our intellectual husband to be . . . Charlie Bartlett, winner of the house spelling bee . . . Larry Bresnahan with his refrigerator, vault, and broken ski . . . Rucker Burks, the human UNIVAC and house efficiency director . . . Gerry Desmarais with his smoking jacket and white pipe . . . Pete

Φ

ALL in all, 1960-1961 has been a very happy and successful year for S.A.E. Our candidate, Ellen Czaja, was crowned Homecoming Queen. We received the All-Points Trophy for the second year in a row. We had first place in softball, volleyball, and golf. We partici-

pated successfully in Mayoralty, Songfest, Mil Arts, Winter Carnival, and Spring Week-end.

Fourteen Brothers of Sigma Alpha Epsilon are graduating this June. They are: Bob "Bruiser" Brown, John "Statelty" Stanton, Dave "Laughing" Lafayette, Bill "ROTC" Lenfest, Jack "The Ripper" Clifton, Bill "The Stomach" Lockhead, Mike "Sully" Sullivan, Don "Bools" Bouvier, Dick "Pops" Gage, John "MJB" Ineson, George "Echo" Ekhard, Chet "The Jet" Rybinski, Joe "The Moose" McGonagle, and Craig "Gas Gauge" Marks.

We wish them all the best of luck and realize that they leave behind them many fond memories of the 'ole Sig Alph Lodge.

SIGMA BETA wishes its graduating seniors good fortune in the years ahead.

Doug Brown, God's gift from the Marines, will no longer be the pledges D.I.

Eddy "Spook" Pelczar, our only bigtime athlete, will be a "Sweet" loss to the campus.

Billy "Tiger" Adams, S. B. strongman, will be looking for new worlds to conquer.

Howie Mead, our Ivy League Clarence Darrow, leaves after wearing out all the mirrors in the house.

Lloyd Swanburg, shutter bug, will photograph other people at peculiarly inopportune moments.

Jim Hoey, an arabesque Michelangelo, will have to paint his gorgeous girls on other walls.

Marv "Mose" Colburn, Moth from nowhere, takes his pearly toothed grin (with artificial pearls), with him.

Σ
B

Bob "Gramps" Trombley, aged and weary, finally finishes, his absence will be especially noted on the basketball court.

Ben George, who alone can fall out of a chair playing his guitar, while eating sunflower seeds, leaves mouthing ballads.

They will not forget their outstanding fraternity, nor their memorable times here: our 1960 Mayoralty Trophy through the efforts of Murial; exchange suppers, smokers, and the colorful parties on the "Big" weekends.

TKE

TKE, this year has maintained its high scholastic average as in the past, coming in second on campus among the fraternities. Men such as Joe Phelan, President of Student Senate, and Ben Cote, executive council of Senate, have added to our prestige.

With twenty-one members living in and our own quota filled, it looks like our house will be able to complete the expansion program which has been underway for several years. Spirit and pride are at an all-time high.

Our singing group which was begun last year is even stronger now, and, besides singing at a Friday night hop at the Union and for the sororities and dormitories, they have sung in several off-campus engagements.

Nine seniors will be leaving in June. Among these are Ben Cote, Dick Dahlgren, Wayne Hibby, Ron Noftle, Russ Nylander, Joe Phelan, Frank Schultz, Wayne Settle, and Toby Sprague. Graduated in February were Pete Doak, Charlie French, and Fred Holbrook.

Theta Chi congratulates these men on the accomplishments and achievements of their college careers.

EACH year Theta Chi advances towards its goal of the fraternal ideal. This year's graduating seniors have contributed greatly to this end. The University and Theta Chi will miss these active and enthusiastic personalities.

They are: Dan Hazen, Durham's Ralph Cramden; Our All-Americans, Dick Eustis and Rod Blackburn; Bill "The Hawk", Banks; Joe Graves, our ambassador to Brentwood; Joe Massidda and John Robes, Chi Omega's food testers; Ken, "The Sheep" Yetman; Mike, "Mr. Clean," Small; Joe "The Elle," Hargen; Bill "Fang" Van Note; Fred "the Net" Walker; and the Wildcat ace Jim "Weasel" Stewart.

Panhellenic Council

First row: C. Hickey, P. Quint, F. Pomarski, M. Hatch, C. Green. Second row: S. Clapp, P. Dunnington, L. Lockwood, L. Willette, M. Higgon.

IN 1890 at the national convention of Kappa Kappa Gamma, six fraternities met; realizing the need and importance of a Panhellenic organization to solve problems of Greek letter fraternities, they began the National Panhellenic Council.

Our council at the University of New Hamp-

shire has been functioning as a member of the National Panhellenic Conference since 1916. The Council consists of thirteen members, a junior and senior delegates from each sorority plus a president. The presidency is held by each house in alphabetical rotation, as are the positions of secretary and treasurer. This past

FRAN POMORSKI
President

MARY HATCH
Vice-President

year the officers were: President: Fran Pomorski; Vice-President: Mary Hatch; Secretary: Phyllis Quint; Treasurer: Carol Green, The Council is advised by Dean McQuade.

The purpose of Panhellenic Council is to maintain a high plane of fraternity life and inter-fraternity relations; to further fine intellectual accomplishments; to co-operate with the college administration on the maintenance of high social standards; and to compile rules governing rushing, pledging, and initiation.

This year Panhellenic sponsored a convocation in December for all Freshmen and other girls of scholastic, financial, and social obligations.

Room and board is being provided this year for a foreign student by Panhellenic. The Council also awards a cup to the house maintaining the highest scholastic average for the previous year. To raise money for these projects Panhellenic sponsored a Sadie Hawkins Dance last

PHYLLIS QUINT
Secretary

THOUGH we must bid farewell to our fifteen earnest, enthusiastic Seniors, we will remember them all when we recall the many moments, riotous and sad, we have shared together: "varsity night," Mil Arts, the Christmas party, our littlest brother Brig, pledge raids, song fests, and bridge games on the floor.

Lisa, founder of Durham's Society for Prevention of Cruelty to Dishwashers; Nancy, our own "sleeping beauty;" Jeanne, "Kids, the committees are posted;" Lois, popularly known as the "dog hog;" Weids, "Ah, come on, kids, leave me alone;" Bev. S, Yogi Bear's avid fan and the "letter sweater kid;" Brenda, UNH's ambassador to the "big D," Les, our efficient miss and continental traveler; Pooh, second traveler and distinguished foreign photographer; Ruthie, our talented, ever-patient songbird; Barbie, watch those quiet ones; Alex, bubbly, artistic, faithful admirer of Hera; Faysie, our answer to Madame Defarge; Bev. M., "Mt. Kearsage, here I come;" Gail, Liberate's most promising competition; Penny, "Humm-mm, a lot of cars in front of the house tonight;" Lyn B., our capable prexy and friend to all.

THIS year holds many unforgettable memories for Alpha Sigma. We will never forget the wonderful times we have had with our graduating seniors. The football games, . . . coffee dates, . . . the Christmas Dance, . . . working until 1 a.m. on the Snow Sculpture, . . . the many laughs, . . . the gab sessions, . . . our green and pink milk, . . . Moseley K. Delta, . . . our serenading, . . . Merp Week, . . . pin-nings and engagements, . . . our rousing basketball team, . . . The Vapor, . . . and most of all, the fun we've had as sisters in the Kappa Delta House. Our house at 5 Strafford Avenue will seem empty without these sisters.

First of all, these is our President, Bren, "I did it, and I'm glad." Good Luck, Bren. Nancy H. agrees that "diamonds are a girl's best friend" since she caught her "oilman." Private Jan Carr, our handy plumber, is getting ready to do her hitch with the Army. Then there's Tigger, our Shakespear of the 20th Century. Gail is "perk"-ing up the Bact. Department. Then

K
Δ

there's Phyllis, our Kennedy fan, saying come on girls, get up; Frannie-Pooh with her "But, Sondra, come on Poopsie!" She listens to the radio at quarter of seven!!! Jan Lannik, good, old invincible Jan, and Barbie B., our musician.

And now in closing, something for our seniors,

"We thought that you would like
to know
That someone's thoughts go where
you go,
That the many wonderful times
we shared
Can never be equalled or compared."
Good Luck All!!

Φ M

THIS year at Phi Mu has been a busy and memorable one for the sisters and pledges. There was Campus Chest with the Nixon-Kennedy scales, our Woodsman's Weekend victory, Interhouse sports, Christmas parties, Song Fest, and informal coffee hours. But above all, we have many pleasant memories of living in

the house, in which our seniors have played an important part:

Sally, our prexy, "Ladies, would y'll be quah't please?" . . . Paddy, Phi Mu's answer to Elizabeth Barrett Browning . . . Linda R., "Momma don't want no saxophone players around here!" . . . Linda S. our Rembrandt, walking to Paul Arts Center with sketch pad and pencils . . . Margie, otherwise known as Dr. Gould with her cool cats. Billie, "I've Made a Decision!" . . . Lynne, our international social worker . . . Jo, back from her trip to Europe with an itsy-bitsy, teeny-weeny, black and white checked—! And as the saying goes, not least but last, Andie, our Handy Andie, "I guess I'll just have to call the repair man."

We wish our seniors great success and give them our encouragement for the future.

WE cherish many happy thoughts that bring unending pleasures — romantic souvenirs that our hearts will always treasure. In the years to come, our thoughts will wander back to our chats by the picture window, the kitchen conferences (with popcorn), the Saturday afternoon raid, Marjorie, midnight prowlers, bridge games on the living room floor, and, of course, little Lo Hon.

But above all, we will remember the seniors who will be leaving us this year: Marty "Hot-rod" Briggs . . . HER, Walter and Elizabeth's favorite daughter . . . Betty, our own Loretta Young . . . J. B., who braved four years of being the only girl in her business classes . . . Di, the Tau's "Hawaiian Eye" . . . Joanie, "OOh, he's just wonderful" . . . "C", who is starting her own T.V. show, "I Had Two Lovers"

ATHLETICS

Varsity Football

CHIEF Bostons 1960 football squad, led by their co-captains, Lou D'Allesandro and Paul Bellavance, opened the season with the 59-year-old gridiron rival, Dartmouth. The big Green eleven moved into the lead in the first half with a score of 7-0, but the Wildcats roared back in the third period with Dick Eustis catching a Bo Dickson aerial for the lone UNH touchdown. The attempt for the extra point was stopped at the one yard line. In the fourth quarter the Wildcats held their own and kept Dartmouth to a 7-6 victory. The highlights of the game was the fine demonstration in the art of punting by Joe Vallancourt. Spirited by the near victory at Dartmouth the Wildcats turned back Rhode Island, 13-6, in their home opener

at Cowell Stadium. Rhode Island took advantage of a UNH fumble in the first period of play, and got loose for a touchdown romp. The Wildcat's forward walls stopped the attempt for extra points. Long runs by halfback Dick Mezquita and some quick Bo Dickson to Dick Eustis passes brought the Wildcats their tying touchdown in the second period. Sophomore, Bob Towse kicked the extra point, making the score, UNH 5, URI 6. The Wildcats, midway in second half, began to roar again when a recovered URI fumble was turned into a touchdown run by Mezquita. The two pointer was attempted but held by the Rams and the UNH squad went on to win 13-6.

First row: J. Bellavance, E. Mullen, R. Lamothe, P. Bellavance, R. Eustis, A. August, P. Lindquist, L. D'Allesandro, J. Robes, M. Hall, E. Cramer, W. Sanderson, M. Glennon. Second row: B. Carter, R. Abbott, J. Campbell, S. Niblett, R. Lucksinger, R. Dickson, G. Whipple, E. Gacey, F. Johnson, D. Lawlor, C. Dorr, W. Fender, M. Hennessey, P. Gulazian, P. D'Allesandro, R. Mezquita, D. Ogg, S. Fiocco, P. Goodwin. Third row: R. Benz, J. Twombly, C. Grzebielski, J. Edgerly, J. Magner, J. Ward, R. Kirouac, R. Barrett, J. Schiappa, M. Eastwood, R. Weeks, P. Trischitta, C. Shatos, W. Sullivan, R. Towse, P. Marro, P. Pavaglio, D. Ryan.

The Blue and White was passed down its first conference defeat by the Maine Bears. Maine scored in the first period for 7 points. And again in the third period scored 6 points to give the Bears a 13-7 victory. Only in the second period of play did the Wildcats look as if they owned the field. Several times they were able to advance to the Maine 20 yard line only to be held by the strong Maine forward wall. Ed Mullen provided the New Hampshire fans with some excitement in the second period when he took a Bo Dixon handoff headed through a hole over center, and then racked up a 50 yard run and the only touchdown of the day for the Wildcats.

Determined to win after suffering a Maine defeat the week previous, the Wildcats won their first football game from the Delaware Blue Mens by a resounding 31-14 score. It was Homecoming Day at Cowell Stadium and a capacity crowd was at hand to watch Delaware take the first period over with a 8-0 score.

The Wildcats turned the tables during the second period when Ed Cramer outran the Delaware squad to the goal line to make the score 8-6. With less than a minute in the half the Dickson-Eustis team went with a 41 yard pass. Then going to the right Dickson hit Jim Edgerly for the touchdown. Edgerly then put the Cats ahead 14-8 with a two pointer. The second half got started with a bang then Dickson hit Edgerly for another touchdown, and Sophomore Bob Towse split the uprights and gave UNH a 21-8 lead. In the first play of the last quarter Dick Mezquita drove over with another Wildcat score. Towse kicked and UNH was out in front, 28-8. The Blue Hens came back with their second and final touchdown in this quarter. The Wildcats added their last

three points when Towse kicked the first field goal since 1942.

The Delaware game put the Wildcats on the road to victory and they proved it by handing the University of Connecticut their first Yankee Conference defeat since 1955. This 17-9 victory was led by Mezquita, Eustis, and Towse. The first period saw Bob Towse kick a three point field goal while the Huskies came back with a touchdown and a field goal to put them in the lead 9-3. The next bit of talent to be displayed by the Wildcats came in the final period of play when Dickson hit Eustis for the game tying touchdown. Towse kicked to put UNH ahead 10-9. Dick Mezquita then worked his way to the second touchdown of the game and Towse kicked again to give UNH its second Conference victory 17-9.

Completing an undefeated home stand, the Wildcats finished with a smashing 28-6 victory over Springfield College. The Cats got off to an early lead in the first period when Ed Mullen ran the first touchdown and Towse kicked for the extra point. Mullen and Mezquita set up the second touchdown and a pass to Edgerly from Bo Dickson completed the play. Towse kicked another successful point and the score was 14-0 in favor of UNH. The third UNH touchdown was a pass to Eustis from Dickson and ending with another one pointer from Towse. In the third period Dickson shot off tackles for the final UNH tally of the game. Towse kicked his tenth straight extra point and UNH lead 28-0. Springfield avoided a grand slam by obtaining a touchdown from Boston's third and fourth teams. This game was one of preparation to meet the U Mass team the following week in the final game of the season.

Wildcat determination could not hold the spirited University of Massachusetts Redmen from clinching their tie for first place in the Yankee Conference. The Wildcats were slightly outclassed in their bid for the first place and were toppled 35-15. UNH put up strong but very brief offensives in the first, second, and third periods of play. These were led by Bo Dickson's passing, Dick Eustis' running, and Bob Towse's kicking. Thus the Wildcats ended a very successful season on a low note.

With or without the Yankee Conference Title Chief Boston can be very proud of his Wildcat team and with the potential of his underclassmen.

Varsity Cross-Country

A GAIN Coach Paul Sweet's varsity Harriers had a winning season in 1960. They won three out of five dual meets and one triple meet.

They lost their opener to Northeastern 29-27, but then came back to win three in a row. They murdered Rhode Island 19-42, nosed out Maine 27-29, and in their last home meet they swept over MIT 15-49.

In a meet with Boston University and Bates, the Cats came out on top with 25 points. B.U. had 41 and Bates had 63.

In the Yankee Conference meet, the U run-

ners placed second, and in the NEICAAA at Boston they placed seventh. They ended the season with a meet against Massachusetts.

Captain Doug MacGregor was once again the sparkplug of the team, winning his share of first places. He ended his sparkling career at home, when he easily took first place against MIT in his last run on the New Hampshire course.

Many veterans are returning along with some fine Freshman in 1961. It should be another winning season.

Varsity Basketball

COACH Bill Olson and the UNH Wildcats opened the season with two wins. The first was against Bowdoin, 73-55, and the second against Tufts 83-78. Joe Hargen lead the pack in both games scoring 14 points against Bowdoin and 22 against the Tufts team. Trouble awaited the Wildcats as they went down to defeat at the hands of Bates College in the third game by a score of 97-91. Another thriller was lost the same weekend to St. Anselm's by a score of 72-71. Joe Hargen and Nick Man-

dravelis took scoring honors in both games.

The Wildcats seemed to stay in their slump and dropped two more games, the first being to Vermont by a score of 65-59, and the second game went to Rhode Island by a score of 96-67.

After returning from a Christmas season tour of the Midwest, the Wildcats regained their strength and romped over Bates 80-65. Again Hargen lead the Wildcat quintet with 18 points.

The Wildcats were plagued again when they lost two more games — to UConn. and Boston University, 79-77 and 62-60 respectively. Again Hargen, along with Bob Bron and Jim Rich, provided the offensive spark for the Wildcats.

The UNH quintet came back on the next try by beating Springfield 66-65. The Wildcats then traveled to Maine and Vermont to procure for themselves two consecutive beatings, 88-79 and 93-79 respectively.

In the next game against Connecticut, UNH seemed to regain their energy and Hargen led the Cats to victory. After the victory over UConn. the Wildcats were dropped squarely into the Yankee Conference cellar, when the Redmen beat the UNH quintet by a score of 85-65. High scorer for the Wildcats was Jim Rich with 27 points. The Wildcats next went on to drop two more games. Northeastern took

the first game 60-58 and Rhode Island took the second game 84-65. Joe Hargen again took top scoring positions.

The Cats came back to win the next game over St. Anselm's but dropped the last three games of the season to M.I.T., Maine, and Massachusetts. Joe Hargen, Jim Rich, and Nick Mandravelis led the offensive spark in these final games.

Prospects for Coach William Olson's 1961-62 squad are really looking much better, with the successful year of the freshman team and the returning veterans we can look forward to a good team.

First row: K. Baker, J. Hargen, M. Fischer, G. Kageleiry, J. Coutre, R. Ahrendt, R. Messer. Second row: S. Grant, B. Merklwitz, J. Rich, B. Hooker, R. Bron, N. Mandravelis, R. Sullivan, D. Ebstynne, R. Cantine, R. Norman.

Varsity Hockey

COACH "Pepper" Martin's Varsity Hockey team, hampered by the graduation of some of his top-notch pucksters, spent most of the season building the team for future years.

The team opened their schedule by dropping a game to Merrimack College, 3-2. The Wildcats also dropped the next two games to Massachusetts and Northeastern by scores of 4-3 and 2-0.

First row: R. Blackburn, E. Mullen, K. McKinnon, S. Nichols, E. Boyce, E. Silva, T. Sobozenski, J. Bellavance. Second row: B. Traister, T. Canavan, J. Bradley, R. Towse, R. Jones, P. Thompson, J. Salin, R. Chase, R. Lamontagne.

UNH seemed to make a come back when they beat Norwich 5-4, but their revival was a short one, and the Wildcats lost in the return match 4-3. The strong Army team turned UNH away 5-0, and this game was followed by losses to Williams, 6-2; Bowdoin, 10-1; and Colby, 7-3. In a sharp about-face, they routed U-Conn. 10-4, but lost again to Bowdoin, 6-0; Colby, 7-3, and Providence, 10-3.

UNH finished their season on a happy note by defeating Amherst 6-2, and the alumni 10-9.

The sparks of the team this year were Ken McKinnon, Sam Nichols, and Rod Blackburn. Ken McKinnon ended his season with 13 goals, followed by Sam Nichols with 10 goals. Rod Blackburn had 589 saves, and finished the season with an average of 41.4 per game.

Again, graduation will deprive "Pepper" of a few skaters for next year, but there is still hope with McKinnon, Nichols, and Blackburn returning. Coach Martin should also be recruiting some top-notch Freshmen for next year's Varsity team.

Varsity Ski Team

THE Varsity ski team, under the able coaching of Ed Blood, ended their season with a good record in the intercollegiate and the U.S.E.A.S.A. sponsored open meets. The UNH team does not do as much skiing as the other college teams, but they always make a good showing at the meets.

The Dartmouth Winter Carnival opened the season for the Wildcat Ski Team. The team managed to take a third place with the participation of Marty Hall, Mike Small, and Bill Orcutt.

The Varsity team did one better by taking a second place in the Williams Winter Carnival. Our jumpers, as in past years, gave UNH the kick they needed to take second place in a meet of this type.

The third meet, the EISA, was cancelled because of the poor skiing conditions.

The next encounter for the UNH skiers was the NCAAA in which they took a fifth place.

Next year should be a good one with some excellent freshman skiers joining the team, in addition to the returning veterans.

J. McAllister, W. Kimball, T. McSherry, M. Hall, W. Orcutt, D. MacGregor, M. Small, J. Sperry, E. Heistad, Blood.

Varsity Baseball

VARSITY BASEBALL at the University of New Hampshire continues to have its problems. Again in 1960, Coach Hank Swasey's club had a losing season, winning four while losing eleven.

It wasn't because of the lack of spirit and hustle that caused this team to be on the short end of the score so often; they played good hustling baseball in every game during the season.

The Cats opened the season with a bang. They shut out Vermont 5-0 in a Yankee Conference contest.

In their next game, another Yankee Conference clash, they were walloped by Connecticut 13-1. The hit-and-runners from New Hampshire then dropped two more, to Bowdoin 3-1, in 11 innings, and to Rhode Island 11-0.

They then travelled to Bates, where they won their second game of the year by the score of 3-1.

After being nosed out by the Maine Bears, at Maine, the Cats came back to win victory number three by defeating Boston University 9-6.

After this victory, Coach Swasey's club lost three Yankee Conference games in a row. They were defeated by Massachusetts 6-4, Maine 2-1, and Connecticut 4-0.

Their final win came at the hands of Tufts. This one the Wildcats won by the score of 10-6.

In their final four games, the Cats found themselves on the short end of the score. They lost to Northeastern 7-6, Massachusetts 4-2,

Dartmouth 3-2, and ended up with a 9-1 loss to Vermont.

A 4-11 record is not too impressive. But, if one looked at the scores, he would see that the Cats played better baseball than the record showed. Seven of their eleven defeats were by two or fewer runs. They lost three games by two runs, and four by one run. They were only shutout twice. Thus, the record books are misleading. Coach Swasey's club was in every game right down to the last out.

Ed Soule, Jim Stewart, Roy Guptill and Barry Norlindger handled all the mound duties. Norlindger had the best record with two wins and no losses. Soule had the best earned-run-average with a 2.31 average. Soule and Stewart, a southpaw, each had one win apiece.

Paul Bellavance was captain of the 1960 squad. The scrappy catcher turned in another fine season behind the plate. Coach Swasey rated him as one of his best captains.

It was a year of rebuilding for Coach Swasey in 1960. He had only a few lettermen returning and he had to field a team made up mostly of sophomores and juniors.

Because of the snow remaining on the ground until late into spring, the Cats had to have most of their spring training in the Field House. Although the weather held up their outdoor preseason drills, they were still ready when it came time to cross bats with Vermont.

Things were dark and gloomy in 1960, but the outlook for 1961 is a happy one. Eleven lettermen will be ready to go when spring rolls around. This will include the entire squad of moundsmen from last year. Along with these eleven lettermen, there will be some fine prospects from the Freshman team fighting for a starting position. Competition for a starting berth should be keen.

All in all, the outlook for the future for a winning season in baseball at the University of New Hampshire is good.

First row: F. Walker, S. Paul, L. Martin, P. Bellevance, P. Marshall, D. Burke, P. Davis, F. Locke. Second row: J. Green, B. Nordinger, S. Soule, J. Stewart, W. Hilton, R. Guptill, D. Parr, R. Whitcomb, J. Manzi, A. Parry, D. Martin.

Varsity Lacrosse

PRACTICE for the 1960 Varsity Lacrosse team began after semester break. The team is usually unable to get the feeling of the earth under their feet because of the snow, and they begin the practice season in the field house.

Every year the team makes its annual pre-season "Spring Trip." This spring trip is a series of engagements with top teams on Long Island and in New Jersey.

The regular season began when the team returned to the UNH campus. Their first game was with Worcester Polytech, where they outscored Worcester, 20-5. The second UNH win came when they met the Indians of Dartmouth and scalped them, 11-7. The first defeat came in the third game of the season when M.I.T. edged out UNH with a score of 10-9. This defeat only inspired the UNH men to go out on the field, and defeat Bowdoin, 15-8.

The UNH team lost the next game to Williams by a score of 17-3. After the Williams game the UNH determination won the last four games of the season, for the team. The first victory was taken from Holy Cross, 14-6. The next two games were taken from Tufts and U Mass, by scores of 9-7, and 14-7, respectively. The final game of the season was played against the alumni and the 1960 team showed the "old-boys" a thing or two by soundly defeating them, 17-1.

Outstanding on the 1960 Lacrosse team for their scoring and assists were Dan Ruskiewicz, Bob Lamothe, Bob Urlwin, and Paul Kotseos. Ruskiewicz made 23 goals, 9 assists, a total of 32 points. Lamothe was high man on the totem pole with 41 points. Bob Urlwin and Paul Kotseos got 29 points and 13 points, respectively.

First row: A. Snively, P. Kotseos, D. Ruskiewicz, R. Lamothe, F. Frazer. Second row: D. Eustis, G. McGonagle, A. Maxwell, R. Paradise. Third row: B. Pomerleau, B. Urlwin, J. Massidda, C. Conlon. Fourth row: P. D'Allesandro, A. Klopfer, D. Satter, G. Fink, B. Dickson.

Varsity Spring Track

NOT enough material! This was the story of Coach Paul Sweet's Spring Track team. The Cats won many first places, but due to the lack of manpower, they would be defeated.

In a dual meet, the New Hampshire squad lost to Boston University 106½ to 28½. The Cats then won a triangular meet with MIT and Tufts. New Hampshire had 60½ points, Tufts 59½ and MIT 45. In the only other dual meets, Maine and Rhode Island were the victors.

At the Yankee Conference meet, New Hampshire placed fifth with eight points. At the NEICAAA meet in New York, the team scored one point.

Cliff Lehman was the outstanding member of the team. He would sometimes take two or three first places in one meet.

The Cats were strongest in the running events, sometimes taking all three places in the dashes. They usually would pull an early lead

in the running events, only to see it go when the field events started.

The season was not a successful one, although it could have been a winning one. Here's hoping that the material coming up from the Freshman team helps UNH to a victorious season in 1961.

First row: C. Fowler, H. Wing, J. Ineson, R. Lefman, D. Blampied, D. MacGregor, D. Emery. Second row: P. Sweet, G. French, E. Pelczar, A. Connor, L. Drew, D. Greatorex, M. Blaisdell.

Varsity Winter Track

THE Varsity Winter Track team got off to a bad start in their first game with Maine and remained in a slump the rest of the season, finishing with a record of 0-5. These defeats were not all a fault of the team. The Wildcats did their best against such overwhelming odds, under the able direction of coach Paul Sweet. The lack of manpower was the main trouble spot in the team's weakness. The Wildcats lost their first meet to Maine, 92-30. The second and third meets went to Northeastern and Tufts by scores of 82-20, and 63-46 respectively.

M.I.T. took the next meet by a score of 61-51. The last meet of the year was donated by the Redmen of U Mass by a score of 87-26.

The outstanding men on the Wildcat track team were Cliff Lehman-600-yard run, Dan Emery hurdles and broad jump, Ed Pelezar-mile, Doug Blampied-50-yard dash, Gale French-pole vault, and John Ineson-shot-put.

With the returning veterans and the recruits from the freshman team, next year's varsity team should begin to grow and move to a better spot in the New England college standings.

First row: B. Sullivan, H. Paul, J. Dye, K. Read, P. Sweet. Second row: E. Pelzar, K. Latour, D. Emory, W. Fender, J. Ineson, S. Fiacco.

Varsity Rifle

THE Varsity Rifle Team had a very busy season this year, as they have in the past, shooting a total of eight matches. The team posted a fifth place record in the New England Championships. The sharp-shooters matched two teams, Coast Guard and Yale, on a mid-semester trip to New York. Other teams matched during the season were Maine, Vermont, St. Michaels, Norwich, MIT, and Boston University.

Under the able direction of M/Sgt. McInnes, the team finished the season with a 6-2 match record.

M/Sgt. McInnes took over the team this year following the departure of M/Sgt. Joseph White. Junior, Al Dodge led the team this year by placing in the top five men in every match. There are three graduating shooters this season, Captain, Dave Bliven, Emery Bassett, and Mike Perreault. Next year should be a very successful one with Al Dodge returning along with a new up-and-coming sharp-shooter, Hugh Cameron.

First row: E. Bassett, D. Bliven, A. Dodge. Second row: Sgt. McInnes, D. Pierce, F. Schultz, H. Cameron.

WILLIAM LOCKHEAD

Golf and Tennis

TWO other highlights of the sports season at UNH are Tennis and Golf. These two sports are very specialized and participated in by a few, but very talented students. Matches are held with other New England colleges in both sports, on campus and off. In Golf and Tennis it is not the number of members on the team that counts but the quality of those members.

ROGER MAGENAU

First row: C. Thayer, J. O'Shaughnessy, R. Dearborn, D. Sandberg, H. D'Allesandro, D. Jordan, D. Tullio, D. Keene, L. Pszeny, A. Davis. Second row: Holm, D. Serieka, H. Reed, C. Carpenter, R. Myers, R. Day, F. DiQuattro, S. Smith, R. Parenteau, P. Nault, G. Weston, Rusiewicz. Third row: S. Camusa, L. Wells, C. Klejmont, J. Keppler, A. Kidder, D. Fenney, T. Hopkins, R. Vogel, P. Chevalier, A. Ruggiero, J. S. Wilson, B. Stiber.

THE Freshman Football team had some rough goings last fall. They won one game, lost four, and tied one.

They lost their opener 19-10 to an always dangerous Exeter Academy. In their second game, Coach Pepper Martin's Kittens walloped Rhode Island 26-8.

The Frosh travelled to Northeastern for their next encounter in what proved to be the most exciting game of the season. The Kittens held the powerful Huskie Pups to a 6-6 tie.

The Frosh ended the season with three losses. They were to Connecticut 37-0, Dartmouth 28-7 and Massachusetts 20-13.

Many of these boys should make the grade on Coach Chief Boston's varsity team next year.

Freshman Football

THE UNH Freshman basketball team had a fairly successful season under the skillful coaching of Andy Mooradian. The kittens finished their season with six wins and four losses. The Kittens started their season off by rolling over the Dartmouth Freshmen. The Frosh then lost the next game to Boston University, but proceeded to come back with three wins over St. Anselm's, Andover Academy, and Bowdoin respectively.

The Frosh then dropped the next three games but with the scoring of Skip Gale and Norm Higgins the Kittens got back in the swing of things and tromped M.I.T. and Bates in the final two games of the season.

Freshman Basketball

First row: Chace, J. Philbrick, R. Hill, W. Dunning, R. Lilly, P. Merrill. Second row: R. Parenteau, C. Littell, W. Mayher, P. Taylor, D. Boies, A. Gognon, P. Varney, W. Snively.

THE Kittens, under the guidance of "Whoops" Snively, seemed to run into the same poor luck that plagued the Varsity pucksters. The Kittens held their victories to only two, Berlin High School and Cranston High School. Defeats for the Kittens came at the hands of Boston University, Northeastern, Dartmouth, Bowdoin, and Colby.

Many of the games that the Kittens lost were by very close scores and Bill Mayher led the pack with 14 goals for the season. Bill was followed by Dick Haggerty and Jim Haberson, each scoring 6 goals. These boys will be a big addition to the Varsity team next year.

Freshman Hockey

Freshman Cross-Country

COACH Paul Sweet's Freshman Cross-Country team had a successful season in 1960. They won three of their five meets and were just nosed out in their other two.

They nosed out Rhode Island 26-29 in their first race and then were edged by Exeter 30-25.

In their final home meet, the Frosh Harriers swept MIT 18-43. They then defeated Boston University 25-35, and ended up the season with a meet against Massachusetts.

Freshman Winter Track

THE 1961 Freshman Winter Track Team had many outstanding men but they were overcome by the running strength of their opponents.

In the opening meet with Phillips Exeter Academy the UNH frosh lost a 70 $\frac{2}{3}$ to 28 $\frac{1}{3}$ encounter.

The next meet was with Northeastern and the UNH Freshmen took their second beating of the season by a score of 96-16. The only win of the season came when the New Hampshire boys dualled Tufts College and came out on top 58-55.

Freshman Lacrosse

THE Freshman Lacrosse team, coached by Pepper Martin, held their own in the 1960 season.

The inexperienced frosh were walloped in their first three games. Governor Dummer won the first game 9-4, Tufts the second 19-7 and Andover the third 16-2.

The racket swingers then came alive to surprise MIT 9-2. Exeter crushed the Frosh 14-3, but the Kittens came back to murder Massachusetts 22-4 in their final game.

With several promising athletes coming up, the lacrosse outlook for the future is good.

First row: D. Ogg, J. Ward, J. Magner, J. Edgerly, J. Whitticomb, H. Yezeriski, T. McSherry. Second row: P. Barrett, T. Powers, G. Vagenas, R. Weeks, R. Towse, J. West, P. Trischitta, M. Eastwood, S. Weeks, R. Baker, N. Katsikas, J. Kaiser, S. Niblett.

Freshman Skiing

THE Freshman Ski Team, although only entering in two meets, showed a great amount of spirit and worked together as a team. As individuals they will increase to the man power and prestige of next year's Varsity Ski Team.

Under the direction of Ed Blood the Freshman participated in meets with Dartmouth and Proctor Academy. They were nosed out in both meets. The boys held their own all year, but could never seem to move out in front.

D. Joslin, S. Found, D. Taylor, T. Lavell, J. Peabody, M. Thomas, W. Collins.

Freshman Baseball

NEW HAMPSHIRE's Freshman baseball team had rough going in 1960.

The records show little as far as this team is concerned. The two outstanding losses of the season were to the Harvard Frosh, 15-5, and to Andover, 20-0.

Their other games were all close. They were defeated by the Harvard J.V.'s 5-4, and 5-2, Dartmouth 9-8, Exeter Academy 7-3, and Northeastern 7-3.

The Kittens lone win was an 8-5 victory over Tilton Prep.

First row: W. Peart, B. Nicholls, K. Latour, B. Barrett, S. Fiacco, J. Dye, R. Gaverly, A. Learnard. Second row: P. Sweet, P. Gironard, P. Turla, B. Hooker, E. Groome, P. Sempresio, A. Sullivan, M. Blaisdell.

Freshman Spring Track

THE Freshman Spring Track team won one meet out of four in 1960. Like the varsity, Coach Paul Sweet had his problems in lack of depth.

The team lost their first meet to Springfield 77-58. They then defeated the Northeastern Frosh 97-41.

Exeter Academy trounced the Kittens 78-39. In their final meet, the Frosh lost to Rhode Island 86-49.

Pepcats

C. MacIntosh, H. McLane, M. Dussault, R. Dechman,
L. Buckman, C. Bartlett, L. Wrightnour, M. Ashapa,
S. Maxton, J. Dye, S. Jay.

PEP rallies, long rides, and bad weather all were a part of the Pepcat's schedule. At both home and away games this group led the crowds in boosting the morale of the football team.

The Freshman Pepkittens with blue and white crepe paper, allahs at the goal post, and cinder blackened knees, offered high spirits at both the Freshman and Varsity games.

We had a team worth cheering for who reflected their spirit with statements such as: "When the going gets tough, the tough get going."

Wildcat Marching Band

Dwight Baker

THE Wildcat Marching Band resumed presentation of half-time shows at the football games this season, marching with 64 bandsmen and a drum major and using a new style of pure drill. With the assistance of a large and capable freshman class of musicians the Band hopes to be able to make the same progress next year. Due to the restriction in the number of uniforms it was necessary to march with 64 students and hold 25 members as substitutes. This was the third and last year for Dwight Baker, one of the few twirling drum majors in this part of the country.

Intramural Sports

1960 INTRAMURAL CHAMPS—SAE

First row: D. Jenny, J. Hickin, J. Dailey, L. Lovelace, J. Ross, F. McKee. Second row: P. Durette, D. Trombly, J. Piper, R. Chartrain, W. Lockhead, M. Phamondon, C. Grezebielski, S. Weeks.

First row: G. French, W. Flint, L. Bresnahan, P. Ouellet, S. Niblet, J. Fowler. Second row: D. Glaiser, D. Haddad, H. Galloway, R. Burks, P. French, M. Julian.

THIS year, as in years past, the intramural sports program has offered the opportunity for each and every boy at the University of New Hampshire to participate in a number of sports. This athletic plan is devised to give those boys not able, or not wanting, to participate in freshman or varsity sports offered by the University a chance to play football, basketball, softball, volleyball, and to bowl.

Each year the winner of the intramural games gets a chance to meet the University of Massachusetts champs. This year Phi Mu Delta, the campus touch football champs, went to Massachusetts and came home to New Hamp-

shire with a trophy by defeating the Redmen of U Mass by a score of 8-6.

In basketball Lambda Chi Alpha won the campus championship and went on to give the U Mass champs a 89-41 beating.

An outdoor track meet was also held this year and Engelhardt Hall took the winning spot, and Phi Mu Delta taking a second.

The bowling, volley ball, and softball are not completed until late in the spring, and the winners receive the opportunity to compete with the U Mass intramural champs, also.

Dan Emery, the President of the Intramural Council this year, kept the program running smoothly.

First row: T. McDonnell, E. McNamara, C. Hodsdon, D. Buttrick, R. Houle. Second row: M. Solovicas, E. Wilde, E. Fennissey, W. Connor, R. Burks, D. O'Clair.

Women's Physical Education

IT is the air of the Department of Physical Education for Women to provide as complete and varied a program of activities as possible for each woman student on campus; a wide range of activities have been offered which will meet this requirement.

Although the requirement for graduation is the completion of three years of Physical Education, the student has ample opportunity to choose the types of activities in which she would like to participate; there are twenty-eight different activities offered, ranging from team and individual sports to dance and social recreation.

Every effort is made through evaluation sheets, surveys, and questionnaires to determine the needs of the woman student and to evaluate the program in the light of the survey's results.

In addition to the Physical Education classes, the Women's Physical Education Department sponsors a co-curricular program under the Women's Recreation Association. This association organizes and directs open sports; inter-house, co-recreational, and interscholastic competition; and sponsors special club activities as Rifle Club, Ski Club, Durham Reelers, Dance Club, and Skating Club.

Professor Marion Beckwith is the Director of the Department and her staff includes Mrs. Caroline Wooster, Evelyn Browne, Barbara Newman, Jone Stone, Jacqueline Clifford, Joyce Mills, Patricia Farrell, Janeen Sand, and Mrs. Harriet Belford.

The Women's Physical Education Department is also responsible for a Teacher Preparation program in Physical Education and Recreation Education in which about forty-five women students are enrolled.

C. Wooster, J. Stone, E. Browne, A. Belford, B. Newman, M. Beckwith, P. Forrell, J. Mills, J. Clifford, J. Sand.

A. Jackson, S. Clapp, B. Kalmanovitz, J. Eggleston, L. Hall, M. Stutevant.

WRA Executive Board

THE Women's Recreation Association, working throughout the school year, is designed to appeal to every student, regardless of skill, who desire to participate in leisure time sports. Through its threefold program; open sports, Interhouse and co-recreation, this organization is able to present interesting and varied competition.

The open sports division sponsors field hockey, basketball, tennis and lacrosse. Players are eligible for the All-Star team which represents the University in intercollegiate competitions.

Interhouse Competition is structured be-

tween the women's housing units. They compete in bowling, basketball, badminton, volleyball, table tennis, and archery for the All-Point trophy. Besides its work in organized sports, W.R.A. also sponsors six clubs; Skiing, Skating, Rifle, Durham Reelers, Dance, and Camp Counselors Club.

Teams composed of men and women compete in the Co-Recreational program. A plaque is presented to the mixed team who wins in each sport. This program offers spirited competition in volleyball, tennis, bowling and softball.

First row: J. Julian, S. MacIvor, E. MacDonald, M. Sturtevant, P. Ballou, P. Chimilikis. Second row: M. Hopkins, J. Holbrook, J. Beland, O. Swan, A. Morse, M. Crofoot, S. Robinson, A. Small.

Interhouse Board

THE purpose of this division of the Women's Recreation Association is to provide opportunities for every girl on campus, regardless of her ability, to engage in a variety of activities. The activities for this year were bowling, basketball, badminton, volleyball, table tennis, soft-ball, and archery.

By participating in these tournaments, each housing unit receives points toward the WRA all-point trophy which is given at the end of the year to the housing unit with the highest number of total points.

The Interhouse Board is the governing body

of this division of WRA. The Board is composed of the Interhouse Director, Mary Sturtevant, leaders and assistants for each sport, and the sports chairman from each of the fifteen housing units. They are: Alpha Chi Omega: Judy Holbrook; Alpha Xi Delta: Sue Russell; Chi Omega: Jill Flint; Kappa Delta: Eileen MacDonald; Phi Mu: Donna Heistad; Theta Upsilon; Midge Emerson; Hitchcock: Marty Hopkins; Lord: Anne Morse; McLaughlin: Nancy Kennaday; North: Olive Swan; Sawyer: Sandy MacIvor; Scott: Sue Robinson; Smith: Peggy Ballou; South: Debbie Watson; Randall: Jerry Julian.

T. Norton, L. Flint, J. Flint, D. Heisted, L. Hall.

Women's Ski Club and Ski Team

THE Women's Ski Club and Ski Team are sponsored by the Women's Recreation Association and are designed for the purpose of creating interest in skiing for the beginner and the advanced. The Women's Ski Club is open to all women students at the University who are interested in learning how to ski, or who already skiers and wish to go on ski weekends. The club meetings consist of movies, guest lectures, displays of ski equipment, pre-season exercising, and planning trips to the northern ski areas.

The Club officers were Linda Hall, President; Jill Flint, Vice-President; Sandy Peabody, Secretary.

This year the Women's Ski Team consisted of Jill Flint, Linda Hall, Linda Flint, Terry Norton, Donna Heistad, Cindy Sargent, and Sue Knowles. These girls participated in the Middlebury Winter Carnival and placed second overall against six teams. Jill Flint was our very capable slalom expert placing first in the slalom, with her cousin Linda Flint skiing very steadily in both Downhill and Slalom. The team also participated in Colby Junior College's ski weekend and took first team honors in all events. Jill Flint took individual honors.

Under the able assistance of Miss Barbara K. Newman, our advisor, we have had a very successful year.

G. Bucklin, L. Hill, S. Thayer, O. Swan, J. Ray, A. Morse, S. Hazen, C. Davis, M. Hopkins, A. Jackson.

All-Star Basketball

IN the second semester the open sports basketball practices were followed by the open sports games. The director was Arlene Jackson, with Susan Bragg as leader and Diane Dittmar as assistant.

The faculty advisors were Miss Joyce Mills and Miss Jacqueline Clifford, with Miss Mills as the All-Star coach.

At the completion of the open sports games

the All-Star team was chosen by the advisors, director, leaders, and two representatives from each of the two open sports teams.

The All-Star team played three inter-collegiate games, which were with Colby Junior College, Westbrook Junior College, and Plymouth Teachers College. The University of New Hampshire All-Star team displayed a strong and well co-ordinated defense and offense, losing only their first game by a slight margin.

THE hockey season began with open practices for all interested participants. Players were then placed on the two color teams, Blue and white. Spirited games were played between these two teams.

The hockey leader was Carol Leland and the coach Miss Joan Stone.

Following the color games the All-Star team was chosen from all the players. Selection was based on skill. UNH won 3, lost 1, and tied 1.

C. Leland, N. Kennady, L. Flint, A. Jackson, M. Hopkins, S. MacIvor, J. Flint, A. Smell, D. Lasher, P. Ballou, B. Hood, A. Morse.

All-Star Field Hockey

THE U.N.H. Skaters Club is a recreational activity open to anyone on campus who is interested in skating. It meets every Thursday afternoon for a few hours. Contrary to popular belief one does not have to be an outstanding skater to belong to the club. The Thursday afternoon meetings offer a fine opportunity to learn something new or to get in on a little practice. When Winter Carnival time comes, a group is chosen to skate in the ice show.

Skaters Club

First row: P. Pomerleau, P. Raudlett, N. Hecker, D. Clark, A. Munroe, V. Cloutier. Second row: J. Bergstedt, B. Butson, M. Matterson, B. Hall, L. Williams, C. Perry.

All-Star Tennis

THIS fall a new system of All-Star selection was put to the test. Under this new system girls from all classes participate in a tournament and the eight semi-finalists are chosen for the All-Star Team.

In 1959, the Open Tennis Tournament played was extremely successful; it was held under the supervision of Miss Joan Stone, faculty coach; Dorothy Schultz, Open Sports Director; and Nancy Coffin, Open Tennis Leader.

Regular practice for the All-Star Team will start in the spring. Any girl who played in the fall tournament is eligible to challenge any member of the All-Star team for a position on the team.

C. Leland, S. Strauss, C. Perry, C. Medico.

Durham Reelers

THE members of the Durham Reelers, a normally active and festive group, spent the last year trying our best to keep up with the regular meetings on alternate Thursday evenings and all the demonstrations, held for the most part, off-campus. The highlight of our activities this year was the Intercollegiate Folk Festival, held on campus. Other energies have gone for demonstrations at the New England Folk Festival, the Seacoast Region Festival, the N. H. State Hospital Festival in Concord, and the N. H. Folk Festival in Hopkinton.

J. Balch, R. Warren, S. Butterwarth, A. Mulligan, M. Greene, C. Tainter, P. Farrell, J. Fisher, P. Veach, C. Wolfe, B. Berry, R. George, K. Halsted, C. Richardson, K. Pierson, S. Prince, J. Littlejohn, B. Fisher, D. Owen.

Dance Club

DANCE, as an art medium, is an expression of man's desire to communicate. The dancer uses the human body as his tool. His aim is to communicate an idea or to establish a mood through movement. Through exploration and experimentation of motion, the dancer discovers the movement or combination or varied movements that best conveys his idea to the observer.

The University of New Hampshire Dance Club is comprised of men and women with varied backgrounds in dance. These students work together in exploring the medium of dance and in communicating their separate ideas to an audience through performance.

The academic year 1960-61 being declared Arts Festival Year here at the University

prompted the Dance Club to represent dance as an art form on a variety of separate occasions. In October the club performed a series of dances at the Hotel Administration Convention, held here on campus. In December, the Dance Club again performed with the University Symphony Orchestra in the Christmas Concert. A photography exhibit on modern dance was hung in the gallery of the Paul Creative Arts Center in March, and a Dance Demonstration by the subject of the exhibit was performed on March 1 in conjunction with the exhibit. Jose Limon and his dance company conducted a master class in modern dance March 23, and presented a concert that evening. In April the club was joined by several New England Colleges in presenting a concert.

First row: S. Brett, J. Stasiak, L. Footman, C. Morrill, B. Anderson, R. Raynes. Second row: F. Pratt, D. Owen, N. Hecker, M. Stoughton, G. DePietro, A. Ritscher, J. Nicoletos, R. Warren, S. Stiff.

CLASSES

ROSS DEACHMAN

President

Freshman Class

A torrent of rain greeted the Freshmen campers to the U.N.H. campus, but this did not dampen their spirits. Orientation week began with the Freshmen running downtown to buy their beanies, and with lines of the complaining new students. Confused Frosh walked in a daze trying desperately to locate their next class before its dismissal.

The class of "64" was determined to beat the greased pole climb record but the pole broke under the strain of their enthusiasm. Their relentless spirit was still carried on to the football rallies, games, and parades!

Our Freshmen girls have represented the class well as candidates for queens of the special week-ends. Barbara Wood was chosen as our "own" Freshmen Beanie Queen. Kathy Parry was runner-up to the Homecoming Queen, and Nancy DuRie was runner-up to the Freshmen Mil Arts Queen, Pam Holmes. Aides to the Winter Carnival Queen were, Ginny Johnson and Diane Chamberlain.

Our freshmen year has served as an adjustment year for most of us, and we can now look forward to our next three years at UNH.

BOB WINN

DOUG EBSTYNE
Treasurer

Sophomore Class

"SOPHOMORE SLUMP"??? No sir!!! The class of '63 didn't slump.

The Sphinx under our versatile, Dick La-montagne admirably and enthusiastically initiated the freshmen into that tremendous existence called "college life."

Our football team, has shown its potency through a number of active Sophomore varsity players — Bob Weeks, Jim Edgerly, Jack Magner, Duncan Ogg, Mike Eastwood, and Dick Benz. The 1960 Homecoming Queen was Ellen Czaja.

At the same time the varsity track team, composed almost completely of sophomores,

enjoyed a fine season. Our basketball team broke a school record with ten wins and only one early season loss to Dartmouth. Sophomores who this year saw a lot of varsity action were Nick Mandravelis, Jim Rich, and Bob Sullivan. This year Tom Canavan, Dick La Montagne, Bob Towse, Lee Kellogg, Pete Thompson, and John Salin represented the Sophomore class on the varsity hockey team.

The 1960 Winter Carnival had as its lovely queen Brenda Chandler, and again in 1961 another Sophomore Queen, Carol Warden, was elected.

BILL DORAN
President

Junior Class

RHODA JENNINGS
Vice-President

THE class of 1962 is now three-quarters of the way toward graduation. The years have flown by during which we have grown wiser, become busier, and progressed toward becoming mature adults ready to face the outside world.

Our Freshman year presented us with many new and exciting experiences, but it is just a memory now. We arrived with torrents of rain to face only lines — lines to register, lines to pay bills, lines for meal tickets, lines for beanies, lines for food. Remember the Beanie Hop where Carole Knowlton reigned? and Linda Rudell as Mil Arts queen? Our first class officers were Ed Snell, Sandy Shaw, Peg Rich, and Peg Robinson.

A year later we returned to campus as sophs. No longer did the Sphinx bother us, we were the Sphinx with a new frosh class to orientate. We elected Joe Aieta, Bob Caulfield and Peg Rich as our officers. At Homecoming, Carole Knowlton reigned as queen and Sandy Milburn was her aide. This was the year we chose our major and set our goals.

Then, with our undergraduate days half over, we were juniors. We elected our officers, planned early for a Junior Prom and held record hops during second semester.

Now, only one more year awaits us at UNH. We will return in the fall as Seniors ready for that final year and that last goodbye in June. Our class advisor has been Dr. John Holden of the Government Department.

MARTHA HIGGON

ALLAN MAXWELL
Vice-President

KATHERINE WEBERS
Secretary

Senior Class

SEPTEMBER 1957 — we were freshmen! It hardly seemed believable until the Sophomore Sphinx arrived on the scene. Remember how proud we were of our Beanie Queen, Lois Stickney? That was certainly our year for Queens. The first big weekend of the year saw one of our "froshettes" as Homecoming Queen. That was Linda Littlefield, and as her aide was Ginny Brown. We led the race for Queens at Winter Carnival, too. Susan Lyman reigned with Joan Prisby for an aide. We were quite a class! We had good leaders in our President, Wayne Curtis with Peter Kramer for Vice President, Lynne Wrightnour as Secretary and Marcia Hervy as Treasurer.

September 1958 — we were Sophomores.

This was our year to make our mark. Our President was Robert Jones. Charles Bartlett served as V.P. with Corinne Carpentiere as Secretary, and Thomas McKittrick as Treasurer. This was our year to head Sophomore Sphinx, and we were still supplying the Queens. Les Buckman served as an aide to Mil arts Queen, and Carol Pandini as aide to Winter Carnival Queen. In the spring we saw Helen Heine as aide to Mardis Gras Queen at Nite of Sin. No, Sir, no Sophomore slump for us. We were too busy making our mark.

September 1959 — and we were Juniors. That year Charles Bartlett was our President, Arthur Griffin our Vice President, Corinne Carpentiere our Secretary and Rebecca Kalman-

KAY PERINCHIEF
Treasurer

ovitz our Treasurer. It was a good year, quiet and respectable, as a Junior year should be. That year saw Lesley Buckman as Mil Arts Queen and Carol Pandini served as aide to the Winter Carnival Queen.

September 1960 — Here we were! The disembarking year for the class of 1961. It was a good year under the direction of Joseph McGonagle our President; Alan Maxwell, our Vice President; Carol Trombly, Secretary; and Kay Perinchief, Treasurer. Remember that Senior Dinner Dance in January — The first time we saw our whole class together! And then we met again for Senior Week, all a little apprehensive of what was to be found outside of U.N.H. but a little sad over having these four vainglorious years come to an end.

Thompson School of Agriculture

followed by a summer of supervised Agricultural Placement each year which is adapted to the personal needs and interests of the individual. To supplement their credits in agriculture, students also have liberal arts courses. There are five major fields of instruction from which a student must select one, but can supplement it with elective courses in the other fields to provide well-balanced training: Agricultural Business, Dairying, General Farming, Horticulture, and Poultry.

TSA students live in campus dorms, fraternities and sororities, or commute. They are near

THE Thompson School of Agriculture is a two year curriculum affiliated with the University of New Hampshire which offers scientific and practical agricultural training to both men and women.

Since practical experience is important, facilities available to the student on campus include: the University farm, livestock department, dairy herd, milk plant, horticulture farm, and greenhouses. As well as their practical experience, TSA students have two semesters of classroom and laboratory work on campus,

RUSSELL D. CARSON
President

HAROLD H. HOULE
Treasurer

CAROLYN M. PEASE
Secretary

enough the main campus to join many of the university's extra-curricular activities including Animal Husbandry, Poultry Science, Horticulture, and Future Farmers of America Clubs. They have their own basketball team. Each year they participate in the New England Agricultural School Judging Contest.

After the two-year training received in classes and practical experience, the TSA graduate has a knowledge of modern, scientific farming methods to take to his prospective community.

The following is a list of the graduating class in TSA. Pictures of the seniors have been included in the senior section.

What Does A Yearbook Mean?

For you, a yearbook means memories. Throughout your life it will help you recall old friends and relive the good times of your student days.

And for your publishers, too, a yearbook means something special. As former members of yearbook staffs, we bring to our professional duties a deep personal interest in the goals of a yearbook editor, as well as a real understanding of his many problems.

To this we add more than a quarter-century of experience publishing many scores of school and college yearbooks. But what we offer you is more than balanced by what you give to us—the happiness of sharing in student projects, the delight of finding each year new and younger friends.

YEARBOOKS • FRESHMAN GUIDES • SPORTS PUBLICATIONS
LIMITED EDITIONS • ALUMNI, LITERARY AND PROFESSIONAL MAGAZINES

Acknowledgments

THE 1961 GRANITE staff would like to express their appreciation to all those people who have contributed to this year's book, we would especially like to acknowledge:

Mr. Robert W. Kelly and the staff of the Robert W. Kelly Publishing Corporation for their patience and encouragement in the planning and the publishing of the 1961 GRANITE.

Hampshire Engraving Corporation for their fine engravings and excellent service.

Lincoln Studio for their time, energy and fine photographs.

The A. S. O. Board for the help in all financial matters.

The University Photo Service for their cooperation in providing prints.

Mr. Nichols, our faculty advisor, for his many hours of consultation.

The University Administration, staff, and students for their cooperation and encouragement.
